PCC CARES II Emergency Grant

The Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) was authorized and signed into law December 27, 2020. This legislation provided additional funding to the Higher Education Emergency Relief Fund (HEERF) to assist colleges in preparing for, preventing, and responding to Coronavirus.

As a student of PCC, if you incurred expenses or hardships related to the coronavirus, we may be able to help! This not only includes needs such as a technology to participate in the remote learning versions of your classes, or improvements in internet service, but also if you are struggling due to the disruption to pay rent, buy food, pay for childcare, pay for transportation, and/or pay for related healthcare (including mental healthcare) expenses.

If you are struggling to pay any educational expenses or would like assistance taking classes in an upcoming semester, we can help with those too.

The PCC CARES Act II Emergency Grant can help meet your needs. Please access the 'Live Chat' Chat function in the lower right hand corner of the [PCC website](#). Enter your information and then select 'CARE Grant Relief' for the department. You will be connected with a Student Success Coach that will assist you in completing an application.

If approved, funds will be released as soon as possible through your refund preference set up through BankMobile. The CARES II funding available to PCC is limited and the funding available to PCC students will be distributed as soon as possible while the funds last.

Eligibility requirements per the US Department of Education

Eligible students include US citizens. Students with exceptional need (such as Pell Grant recipients) will be prioritized and invited to apply for the funding first. Unlike CARES I funding, students who are enrolled exclusively in online courses are eligible to receive these funds. Eligibility will be verified prior to the distribution of grant funding.
