Matriculation Rate

RETENTION RATE TABLE (11/2024)

This table is REQUIRED for INITIAL ACCREDITATION DECISIONS as the program does not have any graduates at the time the Self-Study Report is submitted.

CAPTE occasionally will also request it from accredited programs.

Report on all cohorts in separate columns; delete columns if not needed.

		08/22	08/23	8/24	
Month/Year of Matriculation (mm/yy):		08/22	08/23	8/24	
Month/Year of Expected On Time Graduation (mm/yy):		05/24	05/25	05/26	
A	Number of NEW Students Admitted to Original Cohort in each reporting year who enrolled in the first term of the professional/technical program. This number is to be based on the # of NEW students who started the first term of the professional/technical program and were still matriculated AFTER DROP/ADD. NEW STUDENTS ONLY—DO NOT COUNT RE-ENTRY/DECELERATED STUDENTS	7	20	12	
	Of the number of students reported in A, what is the number of students:				
B	Who are expected to graduate on time	3	16	12	
C	Who are expected to graduate within 150% of the time to normally complete the program	1	1	0	
D	Who left the program because they did not meet academic standards, including clinical standards	2	2	0	

E	Who have left the program due to non-academic reasons (e.g., on active military duty, had health or family issues, changed mind, transferred)	2	1	0	
	Retention Rate: (B+C)/(A - E)	4/5= 80%	17/19= 89.47%	12/12= 100%
