CODE OF STUDENT BEHAVIORAL EXPECTATIONS AND RESPONSIBILITIES (CODE) Introduction

The community of Pueblo Community College (PCC) includes students who are enrolled in PCC courses at any location which includes the Pueblo Campus, including the Teaching and Learning Center at St. Mary Corwin, the Fremont Campus in Cañon City, PCC Southwest Campus located in Mancos, and PCC Southwest Site located in Durango, online via remote learning classes/labs/etc., and any other locations where PCC offers internships, clinical, or other work experience classes. Any member of these PCC communities has an obligation to uphold the rules of the PCC community and the laws of the larger community served by the College.

The intent of this Code is to ensure that students at PCC neither lose their rights nor relinquish the responsibility as citizens in their larger community and in the college community. While the activities covered by the laws of the larger community and those covered by PCC's rules may overlap, it is to be understood that the community's laws and PCC's rules operate independently and that they do not substitute for each other. PCC may pursue enforcement of its own rules whether or not legal proceedings are underway or in prospect, and may use information from third-party sources (such as law enforcement agencies and the courts) to determine whether college rules have been violated. A PCC student is not exempt from local, state, or federal laws and PCC students have the additional obligation of abiding by all of PCC's regulations. It is the personal responsibility of every member of the PCC community not only to protect their own rights, but also to respect the rights of others and to conduct themselves in a manner conducive to learning in an educational environment.

While PCC expects students to adhere to the Code of Student Behavioral Expectations and Responsibilities (Code), PCC also assumes the obligation of clearly identifying and enforcing the Code. PCC maintains the basic understanding that those students who do not follow and adhere to the Code must be held accountable for their actions. Additionally, PCC expects students who are enrolled in the following academic programs to follow the standards identified in each individual program's handbook below. It is important to note that the academic program handbook expectations may exceed the expectations outlined in this student handbook; academic program handbook expectations, program accountability, and program outcomes supersede this student handbook. Refer to the expectations outlined in your specific program handbook and reach out to your academic program chair or designated academic dean with your questions or concerns with your academic program handbook.

Proscribed Conduct

College disciplinary regulations are set forth in writing and in concert with BP 4-30 web page or the URL at: https://cccs.edu/policies-and-procedures/board-policies/bp-4-30-student-behavior/ and SP 4-30a web page or the URL at: https://cccs.edu/about/governance/policies-procedures/sp-4-30a-student-behavioral-expectations-and-responsibilities-resolution-procedure/ in order to give students general notice of proscribed (prohibited) behavior. These rules and regulations should be read broadly and are not designed to define prohibited behavior in exhaustive terms. It is recognized by the College that students are expected to adhere to PCC regulations and the laws of the larger community and to take personal responsibility for their conduct. A student is therefore subject to two (2) sources of authority: civil/criminal authority and College authority.

Violation of any municipal ordinance, law or regulation of the state of Colorado, or law or regulation of the United States which may cause harm or endangerment to self or others, or somehow compromises the educational mission of the College, may result in disciplinary action, up to and including dismissal from the College. The College does not normally take disciplinary action for off-campus violations, but it retains the right to act in special cases. Disciplinary actions imposed by PCC may precede, and be in addition to, any penalty that might be imposed by an off-campus authority.

When accused of a violation, a student has a right to review the evidence against him or her and to respond to the allegations; however, this does not necessarily mean the right to confront a witness. An attempt will be made to resolve all cases at the lowest level possible.

Statement

A College community is defined by its values for learning, teaching, and service that reflect academic excellence, holistic student development, and societal impact. To guide student success, Pueblo Community College (PCC) and the Colorado Community College System (CCCS) have created the Code of Student Behavioral Expectations and Responsibilities (Code), which includes standards of behavior that support an engaged learning environment for all students. The Code embraces the institutional values of integrity, excellence, learning, diversity, intellectual freedom, and equal opportunity, and is rooted in conflict resolution practice to support students in resolving their own conflicts.

Each College's Student Affairs Division (PCC Division of Student Success) is authorized to enact the Code and utilize the Code procedures to support students while holding them accountable to the behavior that supports the College mission and vision. The outcomes of the student conduct process are designed to assist students in their development, help them think through their moral and ethical decision-making, and realign their behavior with the College's community expectations. In certain instances, this may involve separation from Pueblo Community College (PCC) and the Colorado Community College System (CCCS) either temporarily or permanently.

Outcomes are assigned based on the severity of the violation, cumulative conduct history, and educational needs of the student.

PCC students are emailed the Code located in this Student Handbook and are responsible for reading and adhering to the Code. The Code in no way creates a contractual obligation and from Pueblo Community College (PCC) and Colorado Community College System (CCCS) reserves the right to revise the procedure at any time.

Code

Pueblo Community College (PCC) considers the behavior described in the following subsections as inappropriate and in opposition to the values of the College community. These responsibilities apply to all students including continuing education students. The College encourages and expects students, faculty, and staff to engage as active bystanders and report to college officials' incidents that involve the following behaviors. Any student found to have violated or to have attempted to violate the following responsibilities may be subject to the conditions, restrictions, and outcomes outlined in <u>SP 4-30a web page</u> or the URL at: https://cccs.edu/about/governance/policies-procedures/sp-4-30a-student-behavioral-expectations-and-responsibilities-resolution-procedure/, Student Behavior Expectations and Responsibilities Resolution Procedure.

To the extent that any provision of this Handbook is inconsistent with State or Federal law, State Board for Community Colleges and Occupational Education Policies (BPs) or Colorado Community College System Procedures (SP's), the law, BPs and SPs shall supersede and control. BPs and SPs are subject to change throughout the year and are effective immediately upon adoption by the Board or System Chancellor, respectively. Students are expected to be familiar with and adhere to the BPs, SPs as well as College directives, including but not limited to the contents of this Handbook.

The following section is organized alphabetically by violation followed by an explanation:

<u>Abuse of Conduct Process</u>: Abuse or interference with college processes, including conduct and academic integrity meetings:

- Falsification, distortion, or misrepresentation of information.
- Failure to provide, destroying, or concealing information during an investigation of an alleged Code violation.
- Attempting to discourage an individual's proper participation in, or use of, the campus conduct system.
- Inappropriately influencing any member of the campus community with conduct authority prior to, during, and/or following a campus conduct proceeding.
- Influencing or attempting to influence another individual to commit an abuse of the campus conduct process.

Academic Integrity: Plagiarizing, cheating, or committing any other form of academic misconduct including, but not limited to, unauthorized collaboration, falsification of information, and/or helping someone else violate reasonable standards for academic behavior. Students who engage in any type of academic dishonesty are subject to both academic consequences as determined by the instructor and to outcomes as set forth in the Student Behavioral Expectations and Responsibilities Resolution Procedure.

<u>Cheating</u>: The act of using or attempting to use an examination or other academic work, material, information, or study aids which are not permitted by the instructor. Cheating includes, but is not limited to:

- Using books, notes, or calculators or copying from or conversing with others during examinations (unless such external aids are permitted by the instructor).
- Having someone else do research, write papers, or take examinations for someone else.
- Submitting work completed in one class to fulfill an assignment in another class without prior approval from the instructor(s).
- Stealing, distributing, selling, and buying tests or having someone take an exam on someone else's behalf.

<u>Fabrication</u>: The invention of material or its source and its use as an authority in academic work. Fabrication includes, but is not limited to:

- Inventing the data for a scientific experiment.
- Inventing the title and author of a publication to use the invented publication as a source.
- Knowingly attributing material to an incorrect source.

<u>Plagiarism</u>: The act of using someone else's work without giving proper credit to the original source. The work can be written, artistic, musical, language, symbols, or media. Reusing one's own prior work without proper citation (or approval of instructor) is also plagiarism.

Aiding and Abetting:

It is a violation of this Code to actively assist another in violating the Code or covering up the violation after the fact.

<u>Alcohol/Drugs</u>: Use, being under the influence, manufacturing, possession, cultivating, distribution, purchase, or sale of alcohol and/or drugs (illegal and/or dangerous or controlled substance) and/or alcohol/drug paraphernalia while on college-owned or College-controlled property, and/or at any function authorized or supervised by the College, and/or in state owned or leased vehicles.

NOTE: Possession of a state of Colorado medical marijuana card does not entitle a student to possess or use marijuana on the College campus, buildings, or grounds. Although possession and use of marijuana for certain medical conditions consistent with the requirements of the Colorado Constitution is no longer a crime in the state of Colorado, the possession and use of marijuana remains illegal under federal law. <u>Hazing Definitions</u>: Pueblo Community College (PCC) prohibits hazing. Under Appendix A of SP 4-30a, Code of Student Behavioral Expectations and Responsibilities, hazing is defined as:

an act that endangers the psychological, emotional, intellectual, and/or physical health and/or safety of a student, or that destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group, team, or organization. Additionally, any act that places a student in a subservient role within an organization is considered hazing. Participation or consensual cooperation by the individual(s) being hazed does not excuse the violation. Failing to intervene to prevent, failing to discourage, and failing to report those acts may also violate this code.

Employees may violate the Code of Conduct (BP 3-70), the prohibition against bullying and violent behavior (BP 19-10), or other workplace policies, procedures, or protocols by engaging in acts that constitute hazing under the applicable legal definitions.

Under the Stop Campus Hazing Act, hazing is defined as:

- An intentional, knowing, or reckless act

Definitions

- 1. Alternative conflict resolution is a process of addressing differences that allow everyone involved to find a way to work together. Differences may be personal, financial, employment, political, emotional, or interpersonal. It is an alternative to a formal investigation of a reported violation. There are many types of alternative conflict resolutions that may be utilized to work through conflict that may arise. Examples include [1]:
 - **Conflict Coaching**: Students seek counsel and guidance from the Division of Student Affairs (Student Success) to learn more about their own conflict styles and strategies to engage in conflict in a more effective and independent way.
 - **Dialogue**: Students engage in a conversation to gain understanding or to manage a conflict independent of intervention or third-party facilitation.
 - Facilitated Dialogue: Students access Division of Student Affairs (Student Success) for facilitation services to engage in a conversation to gain understanding or manage a conflict with another party. In a facilitated dialogue, parties maintain ownership of decisions concerning the conversations or any resolutions of a conflict.
 - Mediation: Students access the Division of Student Affairs (Student Success) to serve as a thirdparty to coordinate a structured session aimed at resolving a conflict and/or constructing a resolution agreement for the parties involved.
 - Restorative Justice Practices (conferences, circles, and boards): The Division of Student Affairs (Student Success) provides space and facilitation services for students taking ownership for harmful behavior and those parties impacted by the behavior to jointly construct an agreement to restore community.
 - **Shuttle Diplomacy**: A Resolution Coordinator actively negotiates an agreement between two (2) parties who do not wish to directly engage with one another.
- 2. **Appellate Officer** is a Pueblo Community College employee who is the Senior Student Affairs Officer (SSAO) or designee.
- 3. **Cheating** includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission of tests or other academic material belonging to a member of the College faculty or staff.

ADMINISTRATION OF STUDENT DISCIPLINE

The responsibility of administering the PCC student discipline system is delegated to the **Senior Student Affairs Officer (SSAO)** or designee; at PCC, the Vice President of Student Success (VPSS) serves as the Senior Student Affairs Officer (SSAO). The **Senior Student Affairs Officer (SSAO)** or designee may delegate authority to other groups or individuals for handling violations of the Student Code of Conduct.

The College believes that all cases should be resolved at the lowest level possible, and all discipline-related activities should be monitored by a central administrative authority to ensure fairness and consistency; therefore, all disciplinary proceedings and sanctions imposed by any designated discipline officer will be reported to the SSAO or designee for record-keeping purposes.

When a case is not resolved at the lowest possible level, other persons may become involved in the discipline process as identified herein.

The following procedures summarize the process for all disciplinary cases which are a reflection of student behavior. Included in such behavior is an allegation of Academic Dishonesty:

Equity Statement

Pueblo Community College (PCC) and the Colorado Community College System (CCCS) are committed to a procedure of equity and justice. We accept the responsibility of creating an environment free from discrimination.

Procedure

Initiating a Conduct Process

Any member of the System community may allege a violation by any student of the Code by reporting the matter to the appropriate Senior Student Affairs Officer (SSAO) or designee. The SSAO, or designee manages reports of Code violations made under this procedure and may delegate this responsibility. Students, faculty, instructors, staff, authorized volunteers, and guests are encouraged to report behavior that potentially violates the Code or that may be criminal in nature. Formal reports can be made by completing a College incident report that is located on the College's incident report web page or the URL at: https://pueblocc.edu/Concerns. If the conduct is believed to be criminal in nature, the SSAO or designee should immediately report the alleged violation to campus law enforcement or security or external law enforcement. Contact information for reporting crimes and emergencies is located on the College's Police Department web page or the URL at: https://pueblocc.edu/public-safety.

There is no time limit on reporting violations of the Code; however, the longer someone waits to report, the harder it becomes for college officials to obtain information and witness statements and to make determinations regarding alleged violations. Anonymous complaints are permitted, though doing so may limit the College's ability to investigate and respond to a complaint effectively.

Complaints, concerns, or reports without reasonable cause will not be pursued. Upon receipt of the report, the SSAO or designee shall review the matter to determine if it alleges sufficient information to support reasonable cause that a violation has occurred.

If so, the SSAO or designee shall promptly notify the Complainant (if any) and the Respondent in writing of the allegations and any interim action that is being imposed. Should a student withdraw from the institution prior to the conclusion of the conduct process, the College will proceed with or without the student's involvement.

The SSAO or designee will identify a conduct resolution pathway as outlined below based on the nature of the allegations and input from the involved parties. Decisions made by the SSAO or designee shall be final unless subject to appeal. Any outcomes and restrictions imposed take effect immediately unless the SSAO designee agrees to delay or stay the outcome.

Proceedings initiated under this procedure are separate from civil or criminal proceedings that may relate to the same incident. Investigations or conduct proceedings by the College are not postponed while criminal or civil proceedings are pending unless otherwise determined by the SSAO or designee.

Interim Actions

The Senior Student Affairs Officer (SSAO) or designee, in consultation with appropriate administrative personnel, may implement interim actions intended to protect the safety and well-being of the PCC / CCCS community; preserve PCC / CCCS property; address the effects of the reported behavior; and prevent further violations while the matter is under review or investigation. Interim actions may include, but are not limited to:

- 1. <u>Interim No Trespass</u>: The SSAO or designee may issue a "Cease Communications," "No Contact," and/or "No Trespass," directive, also referred to as a persona non grata.
- 2. <u>Interim Suspension</u>: This interim suspension includes attending classes and events pending an outcome. This interim suspension begins immediately upon notice from the SSAO or designee. In cases where a student is banned from campus on an interim basis, they will be subject to immediate arrest for trespass if they are on campus until the exclusion has been lifted. A meeting with the SSAO or designee is then scheduled as soon as possible to determine the appropriate conduct resolution pathway.
- 3. Any other outcome listed in this procedure below may also be imposed on an interim basis.

In all cases in which an interim action is imposed, the individual will be given the opportunity to meet with the SSAO or designee prior to such action being imposed, or as soon thereafter as reasonably possible, to show cause why interim action should not be implemented. The SSAO or designee shall have sole discretion to implement or stay an interim action, and to determine its conditions and duration. Violation of an interim action may be grounds for imposition of an outcome, up to and including expulsion.

Conduct Resolution Pathways Alternative Conflict Resolution

The Senior Student Affairs Officer (SSAO) or designee, in consultation with the parties involved, may determine informally resolving student conduct matters through an alternative conflict resolution process is appropriate to resolve the reported concerns. The primary focus during alternative conflict resolution remains the welfare of the parties and the safety of the PCC / CCCS community, but it does not involve a formal investigation.

Alternative conflict resolution includes, but is not limited to, dialogue, conflict coaching, mediation, restorative justice, or shuttle diplomacy. Alternative conflict resolution works best when students take responsibility for their actions, have a desire to restore the impact created in the incident, and actively participate in deciding and agreeing upon an outcome. If a resolution is reached, the matter will be closed without opportunity for an appeal.

Alternative conflict resolution is a process of addressing differences that allow everyone involved to find a way to work together. Differences may be personal, financial, employment, political, emotional, or interpersonal. It is an alternative to a formal investigation of a reported violation. There are many types of alternative conflict resolutions that may be utilized to work through conflict that may arise. Examples include2:

- **Dialogue**: Students engage in a conversation to gain understanding or to manage a conflict independent of intervention or third-party facilitation.
- **Conflict Coaching**: Students seek counsel and guidance from the Division of Student Affairs (Student Success) to learn more about their own conflict styles and strategies to engage in conflict in a more effective and independent way.
- Facilitated Dialogue: Students accessing the Division of Student Affairs (Student Success) for facilitation services to engage in a conversation to gain an understanding or manage a conflict with another party. In a facilitated dialogue, parties maintain ownership of decisions concerning the conversations or any resolution(s) of a conflict.
- Mediation: Students access the Division of Student Affairs (Student Success) to serve as a thirdparty to coordinate a structured session aimed at resolving a conflict and/or constructing a resolution agreement for the parties involved.
- Restorative Justice Practices (conferences, circles, and boards): The Division of Student Affairs (Student Success) provides space and facilitation services for students taking ownership for harmful behavior and those parties impacted by the behavior to jointly construct an agreement to restore the community.

² Nancy G. Giacomini, et al. *Reframing Campus Conflict: Student Conduct Practice Through the Lens of Inclusive Conflict Excellence.* Sterling, Va: Stylus, 2020.

• **Shuttle Diplomacy**: A Resolution Coordinator actively negotiates an agreement between two (2) parties who do not wish to directly engage with one another.

At any time during the alternative conflict resolution process, the SSAO or designee may elect to initiate a formal investigation as deemed appropriate to resolve the matter. The parties can elect to cease the alternative conflict resolution process at any time before it concludes and proceeds with a formal investigation.

Formal Investigation

Where a formal investigation is designated, the Senior Student Affairs Officer (SSAO) or designee shall investigate the allegations, provide the Respondent with an opportunity to be heard, and render a decision as outlined below:

1. <u>Investigation</u>: The SSAO or designee shall provide the Respondent with an opportunity to respond to the allegations either by meeting with the SSAO or designee to discuss the allegations or by submitting a written response, or both. The Respondent will have the opportunity to be advised by a personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting. An advisor may only consult and advise their advisee but not speak on behalf of the advisee at any meeting or hearing. The SSAO or designee may remove or dismiss an advisor who becomes disruptive or who does not abide by the restrictions on their participation.

The SSAO or designee may also conduct any other investigation, such as meeting with the Complainant (if any), meeting with other relevant witnesses, and evaluating relevant documents, information, and evidence.

- 2. <u>Decision</u>: Once the investigation is complete, the SSAO or designee shall render a decision as to whether a violation of the Code has occurred. The determination shall be based on the preponderance of the evidence standard: whether it is more likely than not that the student violated the Code. The decision shall address whether the alleged conduct occurred; whether and how the conduct violated the Code; and impose an outcome, if appropriate.
- 3. Notification of the decision in writing will be provided by the Senior Student Affairs Officer (SSAO) or designee to the Respondent and any other involved parties, as appropriate. The decision will include information regarding the applicable appeals process. The decision is part of the student's educational record.

Outcomes

The following outcomes can be implemented by the SSAO or designee as a result of finding a violation in the formal investigation process or as part of an agreed upon alternative conflict resolution. These outcomes are intended to develop an educational and restorative experience for individuals engaging in the conduct process. These outcomes may also be put in place to ensure safety for the individual and/or the PCC / CCCS community. Outcomes will be effective immediately upon notice to the student, except that the SSAO or designee may delay or stay the effective date, in their discretion, upon request from the student (e.g., it may be appropriate to stay an outcome pending the resolution of an appeal).

- 1. **Loss of Privileges**: The student will be denied specified privileges for a designated period, from one (1) to three (3) semesters or one (1) academic year.
- 2. <u>Building/Access Restriction</u>: The student will be denied access to specific campus locations, from one (1) to three (3) semesters or one (1) academic year.
- 3. **Restriction on Visitation Privileges**: Restrictions may be imposed on a residence hall student or non-resident hall student. The parameters of the restriction will be specified.
- 4. <u>Eligibility Restriction</u>: The student is deemed "not in good standing" with the College for a specified period, from one (1) to three (3) semesters or one (1) academic year. Specific limitations or exceptions may be granted by the SSAO or designee, and the terms of this outcome may include, but are not limited to, the following:

- Ineligibility to hold any office in any student organization recognized by the College or maintain an elected or appointed office at the College.
- Ineligibility to represent the College in any way, including, but not limited to participating in the study abroad program, attending meetings, or representing the College at an official PCC / CCCS function, event, or intercollegiate competition as a player, manager, or student coach, etc.
- 5. **No Contact Orders**: If a "no contact" order is issued, it is the responsibility of the student not to have any contact with the individual(s) named in the order, directly or through third parties, or electronically/online until the order is officially removed by the SSAO or designee.
- 6. <u>College Housing Reassignment</u>: Reassignment to another College housing facility; however, Pueblo Community College does not own or operate any campus housing currently.
- 7. **Restitution**: Compensation for damage caused to the College or any individual's property. This could also include situations such as failure to return a reserved space to proper condition, including labor costs and expenses. This is not a fine but, rather, a repayment for labor costs and/or the value of property destroyed, damaged, consumed, or stolen.
- 8. <u>Referral for Treatment/Assessment</u>: These include, but are not limited to, alcohol or drug education programs, anger management, or other relevant assessment and treatment programs. Some outcomes may include a cost or fee.
- 9. <u>College/Community Service Requirements</u>: Completion of a specific supervised College/Community service.
- 10. <u>Confiscation of Prohibited Property</u>: Items whose presence is in violation of college policy (pipes, bongs, weapons, etc.) will be confiscated. Prohibited items may be handled, disposed of, or returned to the owner at the discretion of the Senior Student Affairs Officer (SSAO) or designee.
- 11. <u>Educational Program/Project</u>: Requirement to complete an educational or reflection project designed to support students in their understanding of the overall impact of their behavior, or a requirement to attend, present, and/or participate in a program related to the violation. It may also be a requirement to sponsor or assist with a program for others on campus to aid them in learning about the violation for which the student was found responsible. Audience may be restricted.
- 12. **Warning**: An official notice that misconduct has occurred and/or that future specific behavior could result in more severe restrictions, conditions, and outcomes.
- 13. Probation: A period of time in which the privilege of continuing as a student is conditioned upon meeting certain requirements. Any violation or failure to comply with restrictions while on probationary status could be escalated for further outcomes, including removal from PCC / CCCS. Additionally, students on probationary status typically will be required to meet with SSAO or designee or other College personnel for follow up meetings. Probationary status may range from one semester up to the duration of time at PCC / CCCS.
- 14. <u>Suspension</u>: Separation from a College for a specified minimum period, after which the student is eligible to petition the SSAO or designee for permission to return. Eligibility for return may be contingent upon satisfaction of specific conditions. The student is required to vacate the campus immediately upon receipt of notification of a suspension. During the suspension period, the student is restricted from college property, functions, events, and activities without prior written approval from the SSAO or designee. Additionally, students may be suspended from one (1) class period per incident by the responsible faculty member or instructor without triggering this procedure. Any longer suspension must be referred to the SSAO or designee.
- 15. **Expulsion**: Permanent separation from PCC / CCCS. The student is banned from PCC / CCCS College properties and the student's presence at any PCC / CCCS sponsored activity or event is prohibited. This action may be enforced with a trespass action as necessary.

- 16. No Trespass: The College may issue a "No Trespass" directive, also referred to as a persona non grata.
- 17. <u>Other</u>: Additional or alternate restrictions, conditions, or outcomes that promote reflection and holistic student development (e.g., creative expression, community restoration project) may be created and designed as deemed appropriate to the violation.

Appeal of Formal Investigation Decision

A student found responsible for violating the Code through the formal investigation process has a right to appeal if a suspension or expulsion are imposed.

If an outcome other than suspension or expulsion is imposed because of a formal investigation, a student may request in writing a discretionary appeal to the designated Appellate Officer office. A request for a discretionary appeal must be in writing and submitted to the Appellate Officer within five (5) business days of the notice of decision. The Appellate Officer must notify the student in writing of whether the appeal will be permitted and if permitted, the deadlines below apply from the date of that decision.

All appeals must be made in accordance with the procedures outlined in this section.

1. Important Information about Appeals:

- The appeal is the final step in the conduct process.
- An appeal does not provide a second meeting or review of the case. The appeal process will be based on the existing record and the appeal criteria.
- Situations may occur that shift the timeframe of the appeal process. Considerations will be given for extenuating circumstances, including, but not limited to, College holidays, family crisis, trauma, and medical/non-medical emergencies. Any extensions are made at the discretion of the Senior Student Affairs Officer (SSAO) or designee.
- Students are encouraged to consult with the SSAO or designee and external resources about the appeal process prior to submitting the request for an appeal.

2. Appeals Criteria:

A student may only appeal to one or more of the following grounds:

- A material procedural error occurred that significantly impacted the outcome of the factual findings, outcomes, or both (e.g., substantiated bias, conflict of interest, or material deviation from established procedures).
- There is new information which was unavailable during the formal investigation that could substantially impact the decision or the outcome. The new information must be included with the students' request for appeal and the student must show that the new information was not known to them at the time of the investigation. Failure to participate in the initial investigation does not constitute new information for the appeal process.

3. Initial Review of Appeal:

Regardless, if a case is appealed, all outcomes imposed in the case will go into effect immediately unless they are officially stayed, pending the appeal decision.

Appeals must be filed in writing within ten (10) business days of the notice of the initial conduct decision or decision allowing discretionary appeal. A student may file a written appeal by completing and submitting the College's appeal <u>form</u> or the URL at: https://cm.maxient.com/reportingform.php?PuebloCC&layout_id=3. It is the student's obligation to provide all materials for consideration at the time of appeal submission. Subsequent information and/or revisions to the appeal after initial submission will not be accepted.

Upon receipt of an appeal, the Appellate Officer shall conduct an initial review to determine if the appeal meets the limited appeals criteria and is timely. The student will receive notification about the decision of the initial review of appeal within five (5) business days of receipt of the student's appeal. If the appeal is found to meet these criteria, the Appellate Officer shall give written notice to other parties involved, if applicable, to allow the other parties an opportunity to provide a response to the appeal.

4. Appeal Determination:

If it is determined an appeal meets the appeal criteria, the Appellate Officer will review the appeal. In reviewing the appeal, the Appellate Officer may only consider the information contained in the record of the case but may seek clarification of the decision rendered by the SSAO or designee.

Upon review of an appeal, the Appellate Officer shall have the authority to:

- Deny the appeal and affirm the initial decision and outcomes.
- Find that a material procedural error occurred (e.g., substantiated bias, material deviation from
 established procedures) that impacted the outcome and refer the case back to the SSAO or designee
 or an alternate designee with instructions to reconvene the investigation and/or the Appellate Officer
 may otherwise correct the procedural error.

Find that the student has presented new information that is material to the decision or outcome of the case. Upon this finding, the Appellate Officer shall conduct or request appropriate additional steps (such as requesting additional investigation by the SSAO or designee and/or modify the decision and outcome accordingly.

The Appellate Officer will notify the student in writing of the decision, typically within ten (10) business days of completing the review.

During this appeal process, if the Appellate Officer requires additional time, they shall promptly notify the parties.

Student Records

Student conduct records will be maintained in accordance with the Family Educational Rights and Privacy Act (FERPA) located at <u>SP 4-80a web page</u> or the URL at: https://cccs.edu/policies-and-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents

Financial

Students who are suspended or expelled because of the conduct process will not receive a refund of any tuition, fees, or other charges, and will be responsible for any outstanding balances owed to the College. Students who are terminated from housing will be responsible for fulfilling their housing and dining contract fees, if applicable.

Retaliation

It is a violation of this procedure to engage in retaliation, such as taking adverse employment or educational action, against any person who reports an incident of a Code violation or because of the person's participation, or perceived participation, in any aspect of this procedure. Retaliation includes acts to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege provided by this procedure.

Revising this Procedure

Pueblo Community College reserves the right to change any provision or requirement of this procedure at any time, and the change shall become effective immediately.

The Student Code of Conduct shall be reviewed for possible revision no later than three (3) years after its implementation and at least every three (3) years thereafter.

Initially approved by Pueblo Community College Cabinet, Effective September 1, 1996. Latest review and revision: September 2025

ACADEMIC INTEGRITY and ACADEMIC DISHONESTY/ACADEMIC ISSUES

Students who violate Pueblo Community College (PCC) rules on academic integrity are subject to disciplinary penalties, including the possibility of failure or removal from a course, disciplinary probation and/or dismissal from the College.

Introduction

Pueblo Community College is committed to providing superior educational experience for all students who attend the College. Ensuring academic integrity and honesty in all educational classrooms and programs is critical to providing this high level of education.

The College places strong expectations on all students to act honestly in all situations. The College does recognize that some students will choose to commit acts of academic dishonesty, which places an expectation on all faculty and staff to confront these acts of dishonesty. When a student is suspected of committing an act of academic dishonesty, the College will follow the process listed below. The process is intended to uphold and respect the students' due process rights.

What is "Academic Dishonesty"?

"Academic Dishonesty is any action that results in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work that is not their own."

Academic dishonesty is a behavioral issue and considered an act of misconduct subject to the College disciplinary process as defined in the Student Code of Conduct, which is found in this Handbook and subject to the academic sanction as defined in an instructor's course syllabus.

What Are Specific Acts of Academic Dishonesty?

The following are acts of academic dishonesty:

Cheating — intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours. **Fabrication** — intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Facilitating Academic Dishonesty — intentionally or knowingly helping or attempting to help another to violate the provision of the institutional code of academic integrity.

Plagiarism—the deliberate adoption or reproduction of ideas, words, or statements of another person as one's own without giving the credit. This **also includes self-plagiarism** which is considered any attempt to take any of your own previously written papers, research, etc. and presenting it as a new document and not citing yourself and the previously written paper/research/etc.

Unauthorized Collaboration — intentionally sharing information or working together in an academic exercise when such actions are not approved by the course instructor.

(This is not meant to be an exhaustive list of all acts of academic dishonesty but is a guide to help instructors and students understand what constitutes academic dishonesty.)

Initial Response by Instructor

Pueblo Community College makes every effort to preserve the instructor/student relationship. In the event of alleged academic dishonesty, the instructor should first check with the Division of Student Success to determine if there has been a previous violation of academic dishonesty. If there has been a previous violation, the matter is automatically referred to the Dean of Students (and / or campus site designee) in the Division of Student Success.

If this is an alleged first violation, the instructor will:

STEP 1: Complete the Academic Dishonesty Report Form located on the Portal, under Forms. STEP 2: Arrange to meet with the student(s) accused of academic dishonesty in a timely manner and address the academic dishonesty incident and afford the student the opportunity to explain his/her case* STEP 3: If the student(s) accepts responsibility for the act of academic dishonesty and the faculty member is satisfied that the incident can be effectively resolved with a grade sanction, the instructor will assign an academic sanction based on what is written in the course syllabus or one of the following sanctions below--a student found responsible for more than one (1) incident of academic dishonesty, may receive additional academic sanctions:

- Verbal reprimand
- Written warning
- Performance of additional work
- Changing/reduction of grade on assignment
- Assign an "F" in the course**
- Withdrawal from the course

It is important to note:

If dismissal or suspension from an academic program is being considered as a sanction to address an academic integrity concern, this process will need to follow the academic process that applies to academic programs when handling academically related disciplinary actions that result in academic program dismissal or suspension. The academic dismissal or suspension process supersedes this general academic integrity process in this PCC Student Handbook. The process described in this handbook does not result in academic dismissal or suspension from an academic program. Please contact the chair or designated academic dean for specific information on the process to navigate concerns for academic dismissal or suspension from an academic program.

The instructor will forward all documentation to the Dean of Students (and / or campus site designee) and this would complete the academic dishonesty process for this case.

*If the student does not participate in person or via email with the instructor, which is a violation of the code of conduct, the instructor will forward the case to the Dean of Students (and / or campus site designee).

**A student may not withdraw from a course to avoid possible academic and disciplinary sanctions. If a student is suspected of committing an act of academic dishonesty, then the case must be resolved before the student can initiate a withdrawal. If a student receives an "F" in any course as an academic sanction, the student cannot withdraw from that course. If a student appeals, the student may not withdraw from the course until after the appeal is resolved. If the appeal process results in the sanction being upheld, then the grade of "F" for that course will be placed on the student's official transcript.

If the student denies the allegation of academic dishonesty, if the case is a second violation (or higher), or if the faculty member believes the severity of the incident may warrant a sanction more severe than is available to the instructor, the instructor will:

STEP 1: Complete the Academic Dishonesty Report Form, including a summary of relevant documentation, and refer the case to the Dean of Students (and / or campus site designee). **STEP 2:** The Dean of Students (and / or campus site designee) will meet with the student(s) to follow the Formal Investigation process outlined in the Administration of Student Discipline section (above).

It is important to note:

If dismissal or suspension from an academic program is being considered as a sanction to address an academic integrity concern, this process will need to follow the academic process that applies to academic programs when handling academically related disciplinary actions that result in academic program dismissal or suspension. The academic dismissal or suspension process supersedes this general academic integrity process in this PCC Student Handbook. The process described in this handbook does not result in academic dismissal or suspension from an academic program. Please contact the chair or designated academic dean for specific information on the process to navigate concerns for academic dismissal or suspension from an academic program.

Where formal investigation is designated, the Senior Student Affairs Officer (SSAO) or designee shall investigate the allegations, provide the Respondent with an opportunity to be heard, and render a decision as outlined below:

1. Investigation: The Senior Student Affairs Officer (SSAO) or designee shall provide the Respondent with an opportunity to respond to the allegations either by meeting with the SSAO or designee to discuss the allegations or by submitting a written response, or both. The Respondent will have the opportunity to be advised by a personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting. An advisor may only consult and advise their advisee but not speak on behalf of the advisee at any meeting or hearing. The SSAO or designee may remove or dismiss an advisor who becomes disruptive or who does not abide by the restrictions on their participation.

The SSAO or designee may also conduct any other investigation, such as meeting with the Complainant (if any), meeting with other relevant witnesses, and evaluating relevant documents, information, and evidence.

- 2. Decision: Once the investigation is complete, the SSAO or designee shall render a decision as to whether a violation of the Code has occurred. The determination shall be based on the preponderance of the evidence standard: whether it is more likely than not that the student violated the Code. The decision shall address whether alleged conduct occurred; whether and how the conduct violated the Code; and impose an outcome, if appropriate.
- 3. Notification of the decision in writing will be provided by the SSAO or designee to the Respondent and any other parties involved, as appropriate. The decision will include information regarding the applicable appeals process. The decision is part of the student's educational record.

Pending the outcome of an investigation that is not resolved at the end of the semester or summer session, the instructor must assign a grade of "Z" (Z meaning no grade) to the student.

Should a student choose not to participate (is non-responsive) in the academic dishonesty process within three (3) working days of the Dean of Students contacting the student, it will be understood that the student accepts the sanction and the instructor's recommended sanction will be implemented.

Appeal of Formal Investigation Decision

A student found responsible for violating the Code through the formal investigation process has a right to appeal if suspension or expulsion are imposed.

If an outcome other than suspension or expulsion is imposed because of a formal investigation, a student may request in writing a discretionary appeal to the designated Appellate Officer. A request for a discretionary appeal must be in writing and submitted to the Appellate Officer within five (5) business days of the notice of decision. The Appellate Officer must notify the student in writing of whether the appeal will be permitted and if permitted, the deadlines below apply from the date of that decision.

All appeals must be made in accordance with the procedures outlined in this section.

1. Important Information about Appeals:

- The appeal is the final step in the conduct process.
- An appeal does not provide a second meeting or review of the case. The appeal process will be based on the existing record and the appeal criteria.
- Situations may occur that shift the timeframe of the appeal process. Considerations will be given for
 extenuating circumstances, including, but not limited to, College holidays, family crisis, trauma, and
 medical/non-medical emergencies. Any extensions are made at the discretion of the SSAO or
 designee.
- Students are encouraged to consult with the SSAO or designee and external resources about the appeal process prior to submitting the request for an appeal.

2. Appeals Criteria:

A student may only appeal upon one or more of the following grounds:

- A material procedural error occurred that significantly impacted the outcome of the factual findings, outcomes, or both (e.g., substantiated bias, conflict of interest, or material deviation from established procedures).
- There is new information not available during the formal investigation that could substantially impact
 the decision or the outcome. The new information must be included in the students' request for appeal
 and the student must show that the new information was not known to them at the time of investigation.
 Failure to participate in the initial investigation does not constitute new information for the appeal
 process.

3. Initial Review of Appeal:

Regardless, if a case is appealed, all outcomes imposed in the case will go into effect immediately unless they are officially stayed pending the appeal decision.

Appeals must be filed in writing within ten (10) business days of the notice of the initial conduct decision or decision allowing discretionary appeal. A student may file a written appeal by completing and submitting the College's appeal form, if applicable, and sending it to the Appellate Officer. It is the student's obligation to provide all materials for consideration at the time of appeal submission. Subsequent information and/or revisions to the appeal after initial submission will not be accepted.

Upon receipt of an appeal, the Appellate Officer shall conduct an initial review to determine if the appeal meets the limited appeals criteria and is timely. The student will receive notification about the decision of the initial review of appeal within five (5) business days of receipt of the student's appeal. If the appeal is found to meet these criteria, the Appellate Officer shall give written notice to other involved parties, if applicable, to allow the other parties an opportunity to provide a response to the appeal.

4. Appeal Determination:

If it is determined an appeal meets the appeal criteria, the Appellate Officer will review the appeal.

In reviewing the appeal, the Appellate Officer may only consider the information contained in the record of the case but may seek clarification of the decision rendered by the Senior Student Affairs Officer (SSAO) or designee.

Upon review of an appeal, the Appellate Officer shall have the authority to:

- Deny the appeal and affirm the initial decision and outcomes.
- Find that a material procedural error occurred (e.g., substantiated bias, material deviation from
 established procedures) that impacted the outcome and refer the case back to the SSAO or
 designee or an alternate designee with instructions to reconvene the investigation and/or the
 Appellate Officer may otherwise correct the procedural error.

Find that the student has presented new information that is material to the decision or outcome of the case. Upon this finding, the Appellate Officer shall conduct or request appropriate additional steps (such as requesting additional investigation by the Senior Student Affairs Officer (SSAO) or designee and/or modify the decision and outcome accordingly.

The Appellate Officer will notify the student in writing of the decision, typically within ten (10) business days of completing the review.

During this appeal process, if the Appellate Officer requires additional time, they shall promptly notify the parties.

Student Records

Student conduct records will be maintained in accordance with the Family Educational Rights and Privacy Act (FERPA) and SP 4-80a web page or the URL at: https://cccs.edu/policies-and-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedures/system-presidents-procedur

Financial

Students who are suspended or expelled because of the conduct process will not receive a refund of any tuition, fees, or other charges, and will be responsible for any outstanding balances owed to the College. Students who are terminated from housing will be responsible for fulfilling their housing and dining contract fees, if applicable.

Retaliation

It is a violation of this procedure to engage in retaliation, such as taking adverse employment or educational action, against any person who reports an incident of a Code violation or because of the person's participation, or perceived participation, in any aspect of this procedure. Retaliation includes acts to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege provided by this procedure.

Academic Dishonesty Sanctions

The goal of the disciplinary system at PCC is to hold students accountable for their actions and to educate students. Appropriate sanctions help the College to teach and the student to learn that there are negative consequences to inappropriate or dishonest actions.

Possible Academic Dishonesty Sanctions are listed below; additionally, a student found responsible for more than one incident of academic dishonesty may receive additional academic sanctions and disciplinary actions.

- Verbal reprimand
- Written warning
- Performance of additional work
- Changing/reduction of grade
- Withdrawal from the course
- Disciplinary probation
- Suspension from the college
- Expulsion from the college
- Other appropriate sanctions

It is important to note:

If dismissal or suspension from an academic program is being considered as a sanction to address an academic integrity concern, this process will need to follow the academic process that applies to academic programs when handling academically related disciplinary actions that result in academic program dismissal or suspension. The academic dismissal or suspension process supersedes this general academic integrity process in this PCC Student Handbook. The process described in this handbook does not result in academic dismissal or suspension from an academic program. Please contact the chair or designated academic dean for specific information on the process to navigate concerns for academic dismissal or suspension from an academic program.

Disciplinary Sanctions

In addition to any academic sanction(s), a student found to have committed an act of academic dishonesty is subject to disciplinary sanctions that may include disciplinary suspension and/or disciplinary expulsion from the college. The academic dishonesty procedure is intended to afford students' academic disciplinary due process and appeal rights. The academic actions procedure is equally intended to afford students due process and appeal rights when a student believes that they have been treated unfairly and to resolve academic issues at the lowest possible level.

GRIEVANCE PROCEDURES

This Student Grievance Procedure is intended to allow students an opportunity to present an issue that they feel warrants action, including the right to secure educational benefits and services. If the conduct is believed to be criminal in nature, the student should immediately report the alleged violation to campus law enforcement or security or external law enforcement. Definitions

Complainant(s): A person(s) who is subject to alleged misconduct or related retaliation. For purposes of this **procedure**, a complainant can be a PCC / CCCS employee(s), student(s), authorized volunteer(s), guest(s), or **visitor(s)**.

Day: Refers to working day unless otherwise noted below.

Dean of Students (DOS): One of the PCC employees designated by the College to administer student grievances; grievances are also addressed and resolved by other appropriate PCC employee supervising the area of concern (may include directors, department chairs, academic deans, and/or other designees assigned to address and resolve the alleged behavior in the reported concern).

Grievance: A grievable offense is any alleged action which violates or inequitably applies to State Board Policies, System President's Procedures, and College Procedures. The complainant must be personally affected by such violation or inequitable action.

Non-grievable matters: The following matters are not grievable under this procedure except as noted: matters over which the College is without authority to act; grades and other academic decisions unless there is an allegation that the decision was motivated by discrimination and/or harassment which should be filed under the appropriate Civil Rights Grievance and Investigation Process.

Notice: Notices which are required to be given by this procedure shall be considered served upon the student when given by personal delivery, mailing by certified mail, or emailing the student to their official College email address requesting a delivery receipt notification. If notice is mailed, the student shall be given three (3) additional days to respond

Remedy: The relief that the Grievant is requesting.

Respondent(s): A student whose alleged conduct is the subject of a complaint or incident.

Filing a Complaint

All complaints shall be made as promptly as possible after the occurrence. A delay in reporting may be reasonable under some circumstances; however, an unreasonable delay in reporting is an appropriate consideration in evaluating the merits of a complaint or report.

Procedures

Students must timely submit (in writing) all grievances by Reporting a Concern or Incident form found on the web-page or the URL at: https://pueblocc.edu/Concerns/. The grievance should clearly and concisely describe the alleged incident(s), when and where it occurred, and the desired remedy sought. The grievance should be signed by the initiator or, in the case of an email submission, sent as an email attachment, in letter format and should contain the name and all contact information for the grievant. Any supporting documentation and evidence should be referenced within the body of the formal grievance. Additionally, the initiator of a formal grievance should submit any supporting materials in writing as quickly as is practicable.

The complainant's supporting documentation should clearly demonstrate all informal efforts, if any, to resolve the issue(s) with the person involved and the person's supervisor. This includes names, dates and times of attempted or actual contact along with a description of the discussion, and the manner of communication made during each effort. If contacting the person involved and/or the supervisor is impracticable, the complainant should state the reason(s) why a contact could not be made.

Pueblo Community College benefits from informal and formal procedures that encourage prompt resolution of complaints and concerns students may have about the implementation of policies and procedures that govern the institution.

Formal Grievance Process

The complainant must timely file a written statement of the actions complained about and describe the remedies they are seeking during the formal grievance process. A matter could also be referred to this process by the College President or designee. Once a written grievance is filed or referred, the appropriate PCC employee supervising the area will determine whether the situation states a grievable offense. The matter will be closed if the situation is determined not grievable and the Complainant will be notified of the reasons.

If the matter is determined to be grievable, the appropriate PCC employee supervising the area will request a meeting (hearing) with both the complainant and respondent. Both parties will be given the opportunity to discuss the allegations of the grievance and may offer any documentation, witnesses, or other materials in support of the complaint. If any party is not cooperative or responsive, the appropriate PCC employee supervising the area may decide based on the information available.

The appropriate PCC employee supervising the area may also contact or request a meeting with relevant college staff, students, or others as part of the investigation.

In meeting with the appropriate PCC employee supervising the area, the parties are responsible for presenting their own information. The parties could be advised by an individual of their choice, at their expense, at any stage of the process and to be accompanied by that individual at any meeting or hearing. An individual who chooses to advise a party may only consult and advise the party they are working with; they may not speak for the student being represented at any meeting or hearing. The appropriate PCC employee supervising the area may remove or dismiss an individual who chooses to advise a party and becomes disruptive or who does not abide by the restrictions on their participation. These procedures are entirely administrative in nature and are not considered legal proceedings.

At the appropriate PCC employee's (supervising the area) discretion, the appropriate PCC employee supervising the area may discontinue meetings with anyone who is causing a disruption to the process or is being uncooperative and will proceed to decide based on the information known at that time.

No audio or video recording of any kind other than as required by institutional procedure is permitted.

Based on the preponderance of evidence, the appropriate PCC employee supervising the area shall issue a decision, in writing, to both the complainant and respondent. The decision shall reject or grant the grievance and make recommendations to resolve the issue(s). The complainant and respondent shall be advised of his/her right to appeal the decision, subject to the grounds below, by filing a written appeal with the appropriate PCC employee supervising the area within ten (10) days of service of the Decision.

Informal Grievance Process

The complainant is encouraged to resolve the issue with the respondent through the informal process. The appropriate PCC employee supervising the area shall facilitate the informal process. If the informal grievance process is unsuccessful, or if PCC or the complainant chooses not to pursue the informal process, the appropriate PCC employee supervising the area will open a formal grievance case.

Appeals

In the event of an appeal, the appropriate PCC employee supervising the area shall give written notice to both parties via personal delivery, certified mail, or email. The party responding to the appeal shall be given five (5) business days to submit a response in writing unless additional time is needed with the consent of the appropriate PCC employee supervising the area. All appeals and any responses to the appeal are then forwarded to the appeals officer or committee for an initial review to determine if the appeal meets the limited grounds and was timely filed within ten (10) business days. The original decision will stand if the appeal is not timely filed or does not meet the appealable grounds as described below, and the decision is final.

The original finding will stand if the appeal is not timely or substantively eligible, and the decision is final. If the appeal meets the criteria listed below, the documentation is forwarded for consideration. The party requesting the appeal must show error as the original finding is presumed to have been decided reasonably and appropriately. The ONLY grounds for an appeal are as follows:

- 1. A procedural error occurred that significantly impacted the outcome of the decision (e.g., substantiated bias, conflict of interest, or material deviation from established procedures). The written appeal shall specify the procedural error and how it impacted the outcome of the decision.
- 2. The findings are not supported by substantial evidence in the investigation report, or the report does not articulate a rational connection between the facts found and the decision made. The written appeal shall specify the finding(s) not supported by substantial evidence or for which the report does not articulate a rational connection between the facts found and the decision made; or
- 3. Considering new evidence unavailable during the original investigation, that could substantially impact the original finding(s). Any new evidence and its impact must be included in the written appeal.

If the appeals officer or committee determines that new evidence should be considered, it will return the complaint to the PCC employee supervising the area to reconsider the new evidence, only.

If the appeals officer or committee determines that a material procedural or substantive error occurred, they may return the complaint to the PCC employee supervising the area with instructions to reconvene the hearing to cure the error. In rare cases, where the procedural or substantive error cannot be cured by the PCC employee supervising the area in cases of bias, the appeals officer or committee may order a new hearing be held by a different individual acting in the place of the designated PCC employee supervising the area. The results of a reconvened hearing cannot be appealed. The results of a new hearing can be appealed, once, on the two (2) applicable grounds for appeals.

If the appeals officer or committee determines a procedural error that significantly impacted the outcome of the decision, the appeals officer or committee shall return the complaint to the PCC employee supervising the area with instructions to convene a new investigation or the appeals officer shall otherwise cure the procedural error. In rare cases, where the procedural error cannot be cured by the PCC employee supervising the area, in cases of bias, the appeals officer or committee may order a new investigation by a different individual acting in the place of the designated PCC employee supervising the area. The results of a reconvened investigation cannot be appealed. The results of a new investigation can be appealed once, on applicable grounds for appeals.

If the appeals officer or committee determines the findings were not supported by substantial evidence in the investigation report, the report does not articulate a rational connection between the facts found and the decision made, or new evidence substantially impacts the original finding(s), the appeals officer or committee shall conduct or request appropriate additional steps (such as requesting the PCC employee supervising the area to reconsider in light of new evidence only) and/or modify the findings accordingly.

Written notice of the outcome of the appeal shall be provided simultaneously to the parties.

State Complaint Process

Prior to filing a complaint with the Colorado Department of Higher Education (CDHE), students must follow the appeals process at Pueblo Community College. Complaints filed with the CDHE must be filed with the on-line student complaint form found on the web page or the URL at: https://pueblocc.edu/Concerns CDHE will only consider complaints pertaining to statewide transfer and GT Pathways issues. The CDHE does not have authority to resolve complaints between an individual and the institution including but not limited to: Academic freedom, admission decision, billing issues, curriculum content, grades, health insurance requirements, IHE's Student Code of Conduct, issues of discrimination, quality of teaching, religious freedom, transcript holds, and tuition classification.

Special Grievance Process Provisions

- The Parties do not have the right to be represented by legal counsel during these proceedings except in the case where civil or criminal actions concerning the grievance are pending and, in that case, the legal counsel's role shall be advisory only. The party represented by legal counsel must notify PCC employee supervising the area forty-eight (48) hours in advance of any scheduled meeting so that the PCC employee supervising the area can notify the other party.
- The student is responsible for presenting his/her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing except when the student is under the age of eighteen (18) or incapacitated.

- Proceedings under this procedure may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.
- Standard of proof: The College will use the preponderance of evidence standard in the grievance proceedings, meaning the College will determine whether it is more likely than not if the Complainant was subjected to inequity as it applies to Board Policies, System President's Procedures, or College procedures.
- False Reports: The College will not tolerate intentional false reporting of incidents. False reporting
 could lead to disciplinary action, up to and including termination for employees, and expulsion for
 students.
- For students, false reports will be considered a violation of the College Student Code of Conduct.
- The procedural rights afforded to students above may be waived by the student.

If any person who files a grievance, or any person who testifies, assists, or participates in a proceeding, investigation or hearing relating to such grievance, feels they are subjected to retaliatory acts may report such incidents to the Dean of Students.

It is a violation of the grievance procedure to engage in retaliatory acts against any person who files a grievance or any person who testifies, assists, or participates in the grievance proceeding, investigation, or hearing relating to such grievance. Such an act will be subject to discipline, up to and including expulsion for students, termination for PCC employees, and dismissal for authorized volunteers, guests, or visitors.

BEHAVIOR RELATED POLICIES AND PROCEDURES

The sequence of the following policies is not intended to imply an order of importance of significance to Pueblo Community College. Any violation of the following policies will subject a student to disciplinary action.

Hazing Policies

Hazing Definitions

Pueblo Community College (PCC) prohibits hazing. Under Appendix A of SP 4-30a, Code of Student Behavioral Expectations and Responsibilities, hazing is defined as:

an act that endangers the psychological, emotional, intellectual, and/or physical health and/or safety of a student, or that destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group, team, or organization. Additionally, any act that places a student in a subservient role within an organization is considered hazing. Participation or consensual cooperation by the individual(s) being hazed does not excuse the violation. Failing to intervene to prevent, failing to discourage, and failing to report those acts may also violate this code.

Employees may violate the Code of Conduct (BP 3-70), the prohibition against bullying and violent behavior (BP 19-10), or other workplace policies, procedures, or protocols by engaging in acts that constitute hazing under the applicable legal definitions.

Under the Stop Campus Hazing Act, hazing is defined as:

- 1. An intentional, knowing, or reckless act
- 2. committed by a person, whether individually or in concert with other persons,
- against a student, regardless of that student's willingness to participate, that
- was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in, an organization (such as a club, society, association, athletic team, fraternity, sorority, or student government); and
- 5. causes or is likely to contribute to a substantial risk, above the reasonable risk encountered in the course of participation in the institution of higher education or the organization (such as the physical training necessary for participation in an athletic team), of physical injury or psychological injury including:
 - whipping, beating, striking, electronic shocking, placing of a harmful substance on someone's body, or similar activity;
 - causing, coercing, or otherwise inducing sleep deprivation, exposure to the elements, confinement
 in a small space, extreme calisthenics, or other similar activity;
 - causing, coercing, or otherwise inducing another person to consume food, liquid, alcohol, drugs, or other substances;
 - causing, coercing, or otherwise inducing another person to perform sexual acts;
 - any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct;
 - any activity against another person that includes a criminal violation of local, state, tribal, or federal law; and
 - any activity that induces, causes, or requires another person to perform a duty or task that involves a criminal violation of local, state, tribal, or federal law.

Colorado statute (C.R.S. 18-9-124(2)) defines the crime of hazing:

- (a) "Hazing" means any activity by which a person recklessly endangers the health or safety of or causes a risk of bodily injury to an individual for purposes of initiation or admission into or affiliation with any student organization; except that "hazing" does not include customary athletic events or other similar contests or competitions, or authorized training activities conducted by members of the armed forces of the state of Colorado or the United States.
- (b) "Hazing" includes but is not limited to:
 - (I) Forced and prolonged physical activity;
 - (II) Forced consumption of any food, beverage, medication or controlled substance, whether or not prescribed, in excess of the usual amounts for human consumption or forced consumption of any substance not generally intended for human consumption;
 - (III) Prolonged deprivation of sleep, food, or drink.

Reporting Hazing

Any person can report an incident of suspected hazing by completing an incident report on the <u>College's web page</u> or the URL at: https://pueblocc.edu/Concerns

Process for Investigating Allegations of Hazing

Any allegations of hazing that involve an allegation that the individual has engaged in any discriminatory or harassing behavior based upon a protected class or category listed in BP 19-60 will be investigated using the process set forth in SP 19-60a, Civil Rights and Sexual Harassment Resolution Procedure. For allegations of hazing that are not based upon a protected class or category, the applicable process depends upon the status of the individual accused of hazing. Board Policies (BP) and System Procedures (SP) web page or the URL at https://cccs.edu/about/governance/policies-procedures/.

- For accused students, investigations will follow the process set forth in SP 4-30a, Student Behavioral Expectations and Responsibilities Resolution Procedure.
- For employees, allegations of hazing are investigated and resolved using the process applicable to allegations of any other behavioral misconduct, which includes an investigation by our Human Resources office.
 - For faculty, investigations and any subsequent action will also be in compliance with BP 3-20, Due Process for Faculty.
 - For classified employees, investigations and any subsequent action will also be in compliance with the applicable <u>State Personnel Rules and Regulations web page</u> or the URL at: https://www.colorado.gov/spb.

Other Applicable Laws Regarding Hazing

While many acts that constitute hazing may be covered by other crimes, C.R.S. 18-9-124 criminalizes hazing activities that may not be covered by other criminal statutes.

C.R.S. 18-9-124

- (1)(a) The general assembly finds that, while some forms of initiation constitute acceptable behavior, hazing sometimes degenerates into a dangerous form of intimidation and degradation. The general assembly also recognizes that although certain criminal statutes cover the more egregious hazing activities, other activities that may not be covered by existing criminal statutes may threaten the health of students or, if not stopped early enough, may escalate into serious injury.
 - (b) In enacting this section, it is not the intent of the general assembly to change the penalty for any activity that is covered by any other criminal statute. It is rather the intent of the general assembly to define hazing activities not covered by any other criminal statute.
- (2) As used in this section, unless the context otherwise requires:
 - (a) "Hazing" means any activity by which a person recklessly endangers the health or safety of or causes a risk of bodily injury to an individual for purposes of initiation or admission into or affiliation with any student organization; except that "hazing" does not include customary athletic events or other similar contests or competitions, or authorized training activities conducted by members of the armed forces of the state of Colorado or the United States.

- (b) "Hazing" includes but is not limited to:
 - (I) Forced and prolonged physical activity;
 - (II) Forced consumption of any food, beverage, medication or controlled substance, whether or not prescribed, in excess of the usual amounts for human consumption or forced consumption of any substance not generally intended for human consumption;
 - (III) Prolonged deprivation of sleep, food, or drink.
- (3) It shall be unlawful for any person to engage in hazing.
- (4) Any person who violates subsection (3) of this section commits a class 2 misdemeanor.

Health Risks

There is definite health risks associated with the use of alcohol and illegal substances. Alcohol or any other drug used in excess over time can produce illness, disability, and death. The health consequences of substance abuse may be immediate and unpredictable, such as cardiac arrest with cocaine use, or more subtle and long term, such as liver deterioration, associated with the prolonged use of alcohol.

Among the risks are the following:

Alcohol Use & Abuse

Alcohol consumption causes several marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood of a traffic accident. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information.

Alcohol use also affects the body. Repeated use can lead to dependence. Long-term consumption can lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink during pregnancy may give birth to infants with fetal alcohol syndrome. These infants may have irreversible physical abnormalities and mental challenges. In addition, research indicates that children of alcoholic parents are at greater risk than others of becoming alcoholics themselves.

Controlled Substance Abuse

Controlled substance abuse causes varied physical and psychological reactions that can be permanent or temporary. Excessive drug use (depending on the drug) can cause respiratory depression, nausea, slurred speech, disorientation, drunken behavior, increased alertness, excitation, euphoria, increased pulse rate and blood pressure, insomnia, loss of appetite, illusions and hallucinations, and poor perception of time and distance.

Effects of drug overdose (depending on the drug) can result in slow and shallow breathing, clammy skin, convulsions or seizures, weak and rapid pulse, agitation, increased body temperature, hallucinations, psychosis, fatigue, paranoia, coma, and possible death.

Other concerns relating to substance abuse include the following:

- 1. Regular users of alcohol and other drugs often have erratic lifestyles which interfere with sleep, nutrition, and exercise.
- 2. Alcohol and substance use, and abuse may lead to financial difficulties, domestic violence, deterioration of the family structure, motor vehicle accident injuries, and reduced job performance.
- 3. Repeated use of alcohol and other drugs can lead to dependence and addiction.
- 4. Binge or excessive drinking can lead to alcohol poisoning, which can be fatal.

Marijuana - Amendment 64

Although possession and use of marijuana, consistent with the requirements of the Colorado Constitution, is no longer a crime in the state of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substance Act and the Drug Free Schools and Communities Act, the use and/or possession of marijuana, even if the student has a medicinal card, continues to be prohibited while a student is on college owned or college-controlled property, and/or at any function authorized or supervised by the College and/or in state owned or state leased vehicles.

Campus Sex Crimes Prevention Act

The federal Campus Sex Crimes Prevention Act of 2000 (CSCPA), which became law October 28, 2000, but which delayed certain provisions until October 28, 2002, amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act.

CSCPA provides special requirements relating to registration and community notification for sex offenders who are enrolled in or work at institutions of higher education. In addition to the Wetterling Act, CSCPA also amended the Clery Act, an annual crime reporting law, and the Family Educational Rights and Privacy Act of 1974 (FERPA) to allow the disclosure of this information regarding students.

As provided in the Wetterling Act, any person required to register under a state sex offender registration program must notify the state regarding each institution of higher education in the state of which the person is employed, carries on a vocation, or is a student and must also alert the state of any change in enrollment or employment status. In the state of Colorado, convicted sex offenders must register with the Colorado Sex Offender site maintained by the Colorado Bureau of Investigation. In accordance to the CSCPA, Pueblo Community College is providing a link to the Colorado Sex Offender Registry web page. or the URL at: https://apps.colorado.gov/apps/dps/sor/search-agreement.jsf;jsessionid=2 LMowCabBLCrX-23l0qgU3Wnlke5j9EZHO9VvwL.cenp-eap7-0.

Pueblo Community College strongly recommends that all registered sex offenders contact the Pueblo Community College Police Department prior to enrolling at PCC.

The Colorado Sex Offender Registry Law is available via internet pursuant to Colorado Revised Statute 16-22-110 web page, and Colorado Revised Statute 16-22-112 web page or the URL at: https://leg.colorado.gov/colorado-revised-statutes. Registry information provided under this section in the statute shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children in particular. Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class 1 misdemeanor.

Persons seeking information about registered sex offenders residing within a specific geographic area which serves any PCC campus may contact their local police or sheriff's office.

Policy on Minors

Pueblo Community College (PCC) is committed to the safety and protection of minors and establishes guidelines to promote the safety and well-being of these individuals. This policy applies to all faculty, staff, volunteers, visiting scholars, and students representing PCC that are interacting with minors as a function of their role at PCC (this group will be referenced as "PCC staff").

Under Colorado State Statute, C.R.S. 19-1-103, a minor (specifically referenced as "child" in the statute) refers to an individual under the age of 18. This policy is intended to help protect minors whose health and welfare are adversely affected while participating in a PCC program/event and in the care of PCC staff.

PCC staff should be vigilant to observe the physical and emotional state of the minors that participate in a PCC program/event. Any signs of injury that a minor has sustained should be promptly reported to the PCC program/event director, to the applicable PCC Police Department (contact information listed at the end of the policy), and Senior Student Affairs Officer (SSAO) or designee (i.e., Pueblo campus Vice President of Student Success (VPSS), Fremont campus Executive Dean, and SW campus Executive Dean) at the campus for the next appropriate steps.

Additionally, anyone who knows or suspects abuse or neglect of minors may also notify the 24-hour reporting line for Colorado by calling 844.264.5437.

Below are general procedures meant to help guide those involved with PCC pre-college programs/events in cases where the program does not have its own program specific procedures in place.

<u>Hazing Prohibited</u>: Pueblo Community College (PCC) prohibits hazing. Under Appendix A of SP 4-30a, Code of Student Behavioral Expectations and Responsibilities, hazing is defined as:

an act that endangers the psychological, emotional, intellectual, and/or physical health and/or safety of a student, or that destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group, team, or organization. Additionally, any act that places a student in a subservient role within an organization is considered hazing. Participation or consensual cooperation by the individual(s) being hazed does not excuse the violation. Failing to intervene to prevent, failing to discourage, and failing to report those acts may also violate this code.

Bullying Prohibited: Verbal, physical, and cyber bullying are prohibited.

<u>Report!</u> You must report incidents involving sexual or physical abuse or neglect of a minor immediately; please refer to reporting information (listed above).

STATEMENT OF ACKNOWLEDGEMENT OF THE POLICY (INTERACTING WITH MINORS):

I WILL:

- Follow the rules and guidelines in this policy while interacting with minors who participate in Pueblo Community College (PCC) programs/events.
- I understand that as a person who interacts with minors under the auspices of Pueblo Community College, I may be required to undergo a criminal history background check with results acceptable to PCC.
- I understand that if I am currently enrolled as a student at the College, I hereby consent to have my disciplinary case history reviewed with results acceptable to PCC and the program/event director.
- Unless my paid or volunteer position requires otherwise, I will never be alone with a minor (or minors) at PCC activities without notifying another adult and asking the adult for assistance.
- If I am alone with a minor, I will utilize buddy systems and pursue safety in numbers when another adult is not available to help, e.g., a child who needs to be excused during a group activity will be accompanied by another child of the same sex.
- I will always maintain appropriate physical boundaries. I will touch children only, when necessary, in ways that are appropriate, public, and non-sexual.
- I will treat everyone with respect, loyalty, patience, integrity, courtesy, and dignity.
- I will use positive reinforcement rather than criticism or comparison when working with minors.

I WILL NOT:

- I will not touch or speak to a minor (or minors) in a sexual or other inappropriate manner.
- I will not inflict any physical or emotional abuse such as striking, humiliating, ridiculing, or degrading minors.
- I will not use, possess, or be under the influence of tobacco, alcohol, or illegal drugs at any time while working with minors.
- I will not provide transportation to a minor (or minors) unless doing so is an acknowledged component of a program/event (i.e., with parent permission, parameter of the program/event, arrangement of program/event director, etc.).
- I will not accept or give gifts to minors without the knowledge of their parents or guardians.

- I will not engage in private communications with minors via text messaging, email, Facebook, Twitter or the like except for activities strictly involving PCC business.
- I will not use profanity in the presence of children and/or youth at any time.

Reporting of Possible Abuse of a Minor

PCC staff should be vigilant to observe the physical and emotional state of the minors that participate in a PCC program/event. Any signs of injury that a minor has sustained should be promptly reported to the PCC program/event director, to the applicable PCC Police Department (listed below), and Senior Student Affairs Officer (SSAO) or designee (i.e., Pueblo campus Vice President of Student Success (VPSS), Fremont campus Executive Dean, and SW campus Executive Dean) at the campus for the next appropriate steps.

Additionally, anyone who knows or suspects abuse or neglect of minors may also notify the 24-hour reporting line for Colorado by calling 844.264.5437.

Course Enrollment

Dropping Courses

If a course is dropped during the refund period listed on the student schedule (this is also known as "the census date"), the student will not be charged for the course and the dropped course will not appear on the student's permanent record.

Courses may be added or dropped in one of three ways:

- Visit any campus registration station. To add or drop a class in person, students must present a photo ID and submit a signed schedule adjustment form.
- Log on to myPCC Portal web page, or the URL at: https://pueblocc.edu/, open Navigate, and drop the course yourself.
- Log on to myPCC Portal web page or the URL at: https://pueblocc.edu/, find the Registration Tools (SSB) tile, click the "Add or Drop Classes" link and drop yourself from the class.

Class drops and withdrawal dates can be seen in your MyPCC Portal. Find the "Registration Tools (SSB)" tile in your Portal and click on the "Detailed Student Schedule (with drop and withdrawal dates)" link to view your classes and their drop and withdrawal deadlines. You may also contact any registration station, the Admissions & Records Offices, or refer to the class schedule/bill you received at the time you register for course(s) to find your course add and drop deadlines.

A student will be identified as a "no-show" and dropped from the course if he or she has not attended any class sessions or participated in any academically related activities between the start of the course and the census date. For lecture and lab classes where the student physically attends the class, the student must attend class, complete any required coursework, and participate through direct interaction with the instructor prior to the census date to avoid being dropped from a class as a "no-show." For online courses where the student is required to log into the class, the student must log into the course shell and submit an assignment, post to a discussion board, or complete a tutorial prior to the census date to be considered "attending." Logging into an online class and reviewing the class does not constitute attendance. An online student must complete coursework and earn points to be considered attending. Students dropped as no-shows will receive a full refund of tuition and fees.

Withdrawing from Courses

It is the <u>student's</u> responsibility to initiate all withdrawals (from a course or the college) by first meeting with their instructor, advisor, or Success Coach. After the meeting, students should contact the financial aid office, and either withdraw themselves electronically through Navigate or their MyPCC Portal or go to the college "Go!Zone" for assistance with withdrawing. Faculty <u>will not</u> withdraw students for lack of attendance but will instead issue the appropriate grade earned by the student at the end of the semester. Departments are expected to maintain clear attendance policies at the course/program level and convey those standards to students.

Students may occasionally encounter unusual or extenuating circumstances that force them to withdraw from classes. Extenuating circumstances may be military activation or TDY orders, health reasons, job changes and/or death in the family, to name a few. Students who are forced to withdraw from classes due to circumstances beyond their control may initiate the "Tuition Credit Request" process. Students complete the online Tuition Credit Request form and attach official documentation of the extenuating circumstances that forced them to withdraw. The tuition credit request committee meets monthly to review student appeals and has the authority to approve or deny the appeal. Students may re-appeal a denial with the Registrar. If the Tuition Credit Request is approved, the student receives a voucher for the cost of tuition (no fees or book charges) for the classes from which they withdrew to be used within the next calendar year. Tuition Credit Requests must be submitted no later than the following deadlines after the semester in which the withdrawal occurred:

Summer semester: December 1

Fall semester: May 1 Spring semester: August 1

More information can be found at <u>Tuition Credit Request web page</u> or the URL at: https://pueblocc.edu/Tuition-Credit-Requests.

For a statement about PCC's refund policy, see the Tuition and Fees section of the PCC college catalog.

All posted materials must additionally conform to facility operating policies where they exist, i.e., Student Center, Dr. Mike Davis Academic Building, and other campus buildings. Questions related to the interpretation of this policy will be directed to the Office of the Senior Student Affairs Officer (SSAO) or designee.

Anyone who wishes to publicize the sale of textbooks may do so with permission from the Welcome Center, and may only post them on the community boards located in the Student Center across from Pueblo Joe's and the Dr. Mike Davis Academic Building.

Political posters and signs may not be posted at any location on any PCC campus except during an organized event that has been approved by the College.

Written materials may not be placed in non-approved locations, including but not limited to walls, glass, doors, floors, or any part of a college building or structure, traffic sign, power pole, sidewalk, or tree. Printed materials will not be placed on automobiles.

Temporary directions or signs for a convention, tour, or other special events may be placed on single stakes but must be removed by the sponsoring group as soon as the event is over.

To post flyers at the PCC Fremont Campus, please drop off the flyers in the Go!Zone front office. The Director of Student Services will determine if the flyers are appropriate to post and will stamp each flyer approved for posting. Go!Zone employees will then post the flyer in the approved areas. Any flyer that has been posted on campus without being given to the Go!Zone for review will be removed.

To post flyers at the PCC Southwest Campus, please drop off the flyers in the Go!Zone at one of the two SW locations (Durango, or Mancos). The Director of Student Services or Site Coordinator will determine if the flyers are appropriate to post and will stamp each flyer approved for posting. Title IX

Pueblo Community College (PCC) is committed to providing a learning environment that promotes personal integrity, civility and mutual respect free of sex discrimination and sexual misconduct. <u>Title IX of the Educational Amendment Act of 1972 web page</u> or the URL at: https://www.epa.gov/external-civil-rights/title-ix-education-amendments-act-

1972#:~:text=Title%20IX%20provides%3A,activity%20receiving%20Federal%20financial%20assistance. states that: No person in the United States, shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal assistance. Sex discrimination violates an individual's fundamental rights and personal dignity. PCC considers sex discrimination in all its forms to be a serious offense. This policy includes all forms of sex discrimination, including sexual harassment, sexual assault, and sexual violence by employees, students, or third parties. This policy has been developed to reaffirm individual rights and responsibilities and to provide recourse for those individuals whose rights have been violated.

It is intended to serve as a guide for the expectations the College has for sexual communication, sexual responsibility, and sexual respect. For a complete copy of the policy and for <u>complaint procedures and forms web page</u> or the URL at: https://pueblocc.edu/About/HR/Complaints_and_Grievances. Complaint procedures web page or https://pueblocc.edu/Title-IX/Complaint-Procedures.

All College employees, including student employees in certain roles, are mandatory reporters of sexual misconduct and discrimination. Mandatory reporters must ensure that any sexual misconduct or discrimination that they become aware of is reported to the College's Title IX Coordinator or designee. Reports may also be made to the Pueblo Community College Police Dept. at 719.549.3355. This policy applies to all sexual misconduct, discrimination, or harassment regardless of the gender, gender identity or sexual orientation of the complainant or respondent.

Sexual Misconduct Response and Reporting Procedures

The College prohibits sexual misconduct which includes dating violence, domestic violence, sexual assault, and stalking in its programs and activities in accordance with the following Board Policy and System Procedure.

- <u>SP 19-60a web page</u> Civil Rights and Sexual Misconduct Resolution Process or the URL at: https://cccs.edu/about/governance/policies-procedures/sp-19-60a-civil-rights-and-sexual-misconduct-resolution-process/

Specifically, sexual misconduct may be against the law and violates College policy and the Student Code of Behavioral Expectations and Responsibilities. The College prohibits sexual misconduct on property owned or controlled by the College, at institutionally sponsored or supervised activities, or at functions of recognized student organizations. Sanctions for policy violations by college employees or students are determined by applicable internal policies and procedures. Students may be sanctioned up to and including termination.

The College is committed to responding appropriately to all reports of sexual misconduct and to working collaboratively with other law enforcement, government and community agencies. This policy provides general guidelines for responding to individuals who are victims of sexual misconduct (also referred to herein as "complainants") on the College's campus or during other institutionally sponsored activities. What to do if Sexual Misconduct Has Occurred

Individuals who believe they have been the victim of sexual misconduct should first ensure that they are in a place that is safe and that they are receiving any necessary medical treatment. It is important to preserve evidence, so victims should not shower, bathe, eat, drink, brush their teeth, change clothes or disturb the scene of the incident. This evidence can be important to prove that a criminal offense has occurred and may be helpful in obtaining a protection order.

Reporting Sexual Misconduct

Individuals should report any incident of sexual misconduct immediately to the College's Title IX Coordinator listed in the section above. Title IX Coordinators can assist the complainant with getting help, explaining their rights as a student/employee, investigation processes, accessing resources, and protection options. Title IX Coordinators will provide complainants of sexual misconduct with a written explanation of their rights or options with respect to the complaint, regardless of whether the conduct occurred on or off campus. This written information may include a copy of System Procedure (SP) 19-60a and resources.

The complaint should describe the alleged incident, which may include when and where it occurred, the parties involved, and the desired remedy sought. Any supporting documentation and evidence may be referenced within the body of the complaint. Complaints may be submitted to reduce verbal complaints to writing or confirm the content of their complaint in writing before proceeding through the resolution process.

Individuals may decide to report the incident to the College Police Department and/or other local law enforcement. Title IX Coordinators can assist with the reporting process. If an individual does not wish to pursue a formal criminal action through a police department, they can pursue institutional actions consistent with the System Procedure (SP) 19-60a. Alternatively, they can choose not to pursue any institutional action but pursue criminal action or make a police report by contacting Campus Police at the contact information below or local law enforcement. Individuals also have the option of not notifying authorities of the incident.

Pueblo Campus: Pueblo Community College Police Department (Student Center, Room 152) at 719.549.3355 or 911. The phones are directly connected to the Pueblo County Sheriff's Office's communication center, which dispatches the PCC police officers.

Fremont Campus: Pueblo Community College Police Department (FC-L113), at 719.296.6130 or 911.

Southwest Campus (Mancos)/City of Cortez: Montezuma County Sheriff's Department, 601 N. Mildred Road, Cortez, CO 81321, at 970.565.8452 or 911.

Southwest Site (Durango): Durango Police Department, 990 E. 2nd Avenue, Durango, CO 81301 at 970.385.2900 or 911.

Individuals may also report to a faculty member or an administrative official. In the interest of campus safety, the faculty or administrative official should immediately notify Campus Police of the incident and will also be required to report the incident in accordance with the College's internal policies. Reports may be made anonymously. The identity of the individual involved in or reporting the incident is not essential for reporting.

Care should be taken to file a report as soon as possible after the incident and to preserve all physical evidence of the crime to aid in the police investigation or to assist in obtaining a protective order. These procedures are particularly important in the case where the assailant is unknown to the complainant and may be a threat to the campus community.

Other Options for Sexual Misconduct Complainants

Complainants of sexual misconduct may also pursue the below options individually or in combination with reporting options:

- To obtain crisis counseling by contacting <u>Colorado Crisis Services web page</u> or call 1.844.493.8255, text "TALK" to 38255, or the URL at: https://coloradocrisisservices.org/.
- To file a civil lawsuit or restraining order request against the accused (also referred to herein as
 "respondent"). (In this case, the complainant may need a private attorney to assist with these options, and
 the complainant will likely be required to give testimony in court.)
- To seek a restraining order, protective order, no contact, or other similar order, and to have that order
 enforced by the College. A restraining order is an order from a court that requires one party to do, or refrain
 from doing, certain acts. For example, it can help protect someone from being physically abused,
 threatened, stalked, or harassed. The College can be notified of such court orders by informing PCC Police
 Department. The College can help to enforce the restraining or no-contact order on campus and at college
 events.
- For students, to request adjustments to their academic schedules after a reported sexual misconduct, if such changes are reasonably available, and for employees, to request adjustments to work schedules.
 Each such request will be handled on a case-by-case basis by the College. Even if there is no court order, the College may issue a no-contact order as part of its investigation and resolution procedures or take further protective action to minimize the interactions of the complainant and the respondent, such as rearranging College schedules or altering College employment arrangements.
- To have an advisor present when reporting or during any College proceedings to provide support, guidance or advice.

Confidentiality

College employees, depending on their roles, have varying reporting responsibilities and may not be able to maintain confidentiality of information reported to them. Confidential employees are limited to those individuals whose communications are considered privileged and confidential under federal or state law and who are employed by CCCS in that capacity. Information regarding potential civil rights violations may only be considered confidential if it is reported to a CCCS confidential employee who is functioning within the scope of that role. Any person who reports concerns of sexual misconduct should not assume that confidentiality or anonymity can be protected in connection with making a report.

At the College, the following confidential resources are available: Colorado Crisis Services web page or call 1.844.493.8255, text "TALK" to 38255, or the URL at: https://coloradocrisisservices.org/. Except in rare circumstances, such as the existence of an immediate threat of harm, these individuals can offer options and advice without any obligation to report internally or externally unless the complainant has requested information be shared. Other outside confidential resources are available, and the Title IX Coordinator can assist in connecting an individual to these resources.

Confidential Resources

If you are a victim of a sexual assault, you may decide to request a medical forensic exam from a Sexual Assault Nurse Examiner (SANE) to preserve evidence that may be used for the purposes of legal action. While you do not need to decide immediately if you want to report to law enforcement or pursue legal action, the preservation of evidence is most effective when done immediately after an assault. It is ideal to obtain medical treatment as soon as possible before bathing, showering, douching, or changing clothes. There is no cost to the exam. You may go to the following emergency room providers to request a SANE exam: Parkview Medical Center (Pueblo), St. Mary Corwin (Pueblo), St. Thomas Moore Hospital (Cañon City), Mercy Regional Medical Center (Durango), or Southwest Health System (Cortez). If you do not have transportation to the emergency room, you may contact a friend or family member, Pueblo College Police Department (719.549.3355), sexual assault advocates that provide transportation services, taxi service, public transportation, or other providers. Any cost for transportation is the responsibility of the student. Victims who choose to have a medical forensic examination done are not obligated, at any time, to participate in a law enforcement investigation, any criminal justice response along with any administrative proceedings with the College.

Any person who reports concerns of sexual misconduct should also be aware that the College must issue immediate emergency notifications and/or timely warnings for incidents reported to them that are confirmed to pose a substantial threat of bodily harm or danger to members of the campus community. The College will make every effort to ensure that a complainant's name and other identifying information is not disclosed, while still providing adequate information for community members to make safety decisions considering the danger. The College will conduct publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifying information about the complainant in accordance with applicable laws.

Additionally, the College will maintain as confidential any accommodations or protective measures provided to the complainant, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the accommodation or protective measures.

Support and Resources for Sexual Misconduct Complainants

The College will provide written information to students and employees who report sexual misconduct about counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available at the College and in the community. Those resources include but are not limited to:

- PCC Title IX and Sexual Misconduct Resources web page or the URL at: https://pueblocc.edu/TitleIX/Resources
- PCC Domestic Violence and Sexual Assault Prevention web page or the URL at: https://pueblocc.edu/dvp
- PCC Police Victim's Bill of Rights brochures at the bottom of the <u>PCC web page</u> or the URL at: https://pueblocc.edu/public-safety

Options for Protective Measures

The College will provide written notification to complainants of sexual misconduct about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures. The College will make such accommodations or provide such protective measures if they are reasonably available, regardless of whether the complainant chooses to report the crime to Campus Police or local law enforcement.

The Title IX Coordinator, in consultation with appropriate administrative personnel, may implement interim actions, including supportive measures, intended to protect the safety and security of the campus community, address the effects of the reported behavior, and prevent further violations, while a complaint is under review or investigation. These remedies may include, but are not limited to, placing an employee on administrative leave, interim actions outlined in the SP 4-30a Student Behavioral Expectations and Responsibilities Resolution Procedure, campus bans or emergency removals, referral to counseling and health services or to the Colorado State Employee Assistance Program (CSEAP), education to the community, altering housing situations, altering work arrangements, providing campus escorts, implementing contact limitations between the parties (e.g., no contact orders), offering adjustments to academic deadlines or course schedules, and/or suspending privileges such as attendance at College activities or participation in College-sponsored organizations. Any campus ban or emergency removal will be implemented only after a determination that the person poses an imminent and serious threat to the health or safety of another arising from the allegations of discrimination.

Sexual Misconduct Resolution Procedure

Allegations of sexual misconduct will be reviewed in accordance with System Procedure (SP) 19-60a Civil Rights and Sexual Misconduct Resolution Process web page or at the URL at: https://cccs.edu/about/governance/policies-procedures/sp-19-60a-civil-rights-and-sexual-misconduct-resolution-process/. All applicable definitions can be found in Appendix A to SP 19-60a.

Disciplinary Action for Student Sexual Misconduct

A finding of sexual misconduct will be based upon a preponderance of the evidence standard – whether it is more likely than not that the respondent engaged in sexual misconduct. If a report of sexual misconduct is processed and the respondent is found in violation of the College's sexual misconduct policies and procedures, the findings shall be provided to the College's Disciplinary Authority to proceed in accordance with applicable policies:

• For students, disciplinary action will be taken pursuant to BP 4-30 web page or the URL at: https://cccs.edu/about/governance/policies-procedures/bp-4-30-student-behavioral-expectations-and-responsibilities-resolution-procedure/ Student Behavioral Expectations and Responsibilities Resolution Procedure at the following web page or the URL at: https://cccs.edu/about/governance/policies-procedures/sp-4-30a-student-behavioral-expectations-and-responsibilities-resolution-procedure/. Under this process, the College will give the student notice that the matter has been referred for potential sanctioning and will issue a decision which shall address whether alleged conduct occurred; whether and how the conduct violated the code; and impose an outcome, if appropriate. Notification of the decision in writing will be provided to the respondent and any other involved parties, as appropriate, which includes a complainant in sexual misconduct cases. The decision will include information regarding the applicable appeals process. The decision is part of the student's educational record.

Disciplinary Authorities may consider several factors when determining a sanction. These factors may include, but are not limited to, the following:

- The nature, severity of, and circumstances surrounding the violation;
- An individual's disciplinary history;
- Previous complaints or allegations involving similar conduct; and/or
- Any other information deemed relevant by the Disciplinary Authority.

The following sanctions may be imposed:

- For students: warning, probation, fines, restitution, denial of privileges, assignment to perform services for the benefit of the CCCS community, re-assignment to another class section (including the option for an online section), suspension, expulsion, a "Cease Communications" directive, a "No Trespass" directive, or any other outcome stated in SP 4-30a.
- For authorized volunteers, guests, or visitors: warning, probation, denial of privileges, removal from CCCS property, a "Cease Communications" directive, or a "No Trespass" directive.

In addition to sanctions, other actions may be taken as deemed appropriate to bring an end to the violation, to prevent future reoccurrence, and to remedy the effects of the violation. Such protective measures include but are not limited to: cease communications, no contact, and/or no trespass directive, also referred to as a persona non grata, campus bans/emergency removals, referral to counseling and health services or to the Colorado State Employee Assistance Program (CSEAP), education to the community, altering housing situations, altering work arrangements, providing campus escorts, offering adjustments to academic deadlines or course schedules, and/or suspending privileges such as attendance at College activities or participation in College-sponsored organizations.

Prohibition on Retaliation

Individuals shall not retaliate against any person who opposes sexual misconduct or participates in any sexual misconduct complaint or investigation process. Retaliation is any adverse employment or educational action taken against a person because of the person's participation, or perceived participation, in a complaint or investigation.

The College and its employees and agents shall not retaliate, intimidate, threaten, coerce or otherwise discriminate against any individual for exercising their rights or responsibilities under the Clery Act.

Retaliation includes acts to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege provided by applicable sexual misconduct laws, policies and procedures.

Information on Registered Sex Offenders

In accordance with the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the College is providing a link to the Colorado State Sex Offender Registry. Registered sex offenders are required to provide notice of each institution of higher education in Colorado at which the person is employed, carries a vocation, volunteers services, or is a student.

In Colorado, convicted sex offenders must register with the Colorado Bureau of Investigation (CBI). <u>The Colorado sex offender web page or the URL at: https://apps.colorado.gov/apps/dps/sor/.</u>

Sex offender registry information is available at the following <u>web page</u> or at the URL at: https://apps.colorado.gov/apps/dps/sor/, or contact our PCC Police Department during normal business hours. The individual making the request will be provided with the list of registered sex offenders.

Parades and Demonstrations

Permission for parades and demonstrations on any campus must be secured from the Senior Student Affairs Officer (SSAO) or designee. The Senior Student Affairs Officer (SSAO) or designee may restrict parades or demonstrations that impede the academic process at PCC and/or that are in conflict with the mission of PCC.

Photography & Recording Statement

Pueblo Community College often uses photographs and audio/video recordings of college life, events, ceremonies and other activities for purposes related to the educational mission of the College, including education, research, publicity, marketing and promotion of college programs.

By being present in areas open to the public or at public College events and activities, individuals authorize use and reproduction by the College, or anyone authorized by the College, of any photographs or recordings taken while at the College event or activity without compensation. All such photographs and recordings (including electronic) shall be the sole property of the College.

The College may work with individuals requesting to be excluded from college photography/recordings when practical. Individuals not wanting to be photographed or recorded have the option of leaving the area being photographed/recorded.

Notice/Release for Photography & Recording of College Activities

Summary: When capturing photographs and recordings of individuals at the College or during college activities, it is important to consider whether the individual should be placed on general or specific notice and whether it is appropriate to obtain formal permission from the individual for the later use of the photograph or recording by the College. This document provides guidelines and alternatives for giving notice and/or obtaining permission or release from the individual(s) in the photograph/recording. The below alternatives and examples are intended to serve as guidance only, and deviation from these guidelines may be warranted in the sole discretion of the college based on the circumstances. In general, the college will utilize a general notice approach for open public activities and a more targeted approach for activities that are smaller or more intimate, even though they are open to the public.

If an individual declines permission or requests not to be photographed/recorded, the College will use its best efforts to discard/delete/conceal any images of that individual and will work with that individual to avoid capturing further images/recordings.

If the College receives notification that an individual's image has been captured or used in a way that he or she objects to, the College will take appropriate steps to evaluate the circumstances and remove the image, if appropriate.

Student Privacy Rights - FERPA

The Family Educational Rights and Privacy Act of 1974 (FERPA), commonly known as the Buckley Amendment, affords students certain rights with respect to their education records. FERPA rights are afforded to the students at the time of course registration. The Act helps protect the privacy of your records by requesting that PCC limits the disclosure of information from these records to a third person, as well as notify you of the right to review and correct your records.

Pueblo Community College (PCC) may release the following directory information about you to the public:

- Student name
- Participation in officially recognized activities and sports
- Height and weight (only for students in officially recognized activities and sports)
- Major field of study
- Most recent educational institution attended
- Dates of attendance

- Degrees and awards received
- Enrollment status (full time, part-time, etc.)

If you do not wish PCC to release this information, you must file a written request with the Records Office.

Notification of Rights Under the Family Educational Rights and Privacy Act (FERPA) of 1974
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. FERPA rights are afforded to the students at the time of admission. These rights include:

- 1) The right to inspect and review the student's education records within 45 days of the day PCC receives a request for access. A student should submit to the Records Office a written request that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, staff shall advise the student of the correct official to whom the request should be addressed.
- 2) The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights. A student who wishes to ask PCC to amend a record should write the Registrar (who will notify the college official responsible for the record), clearly identify the part of the record the student wants to change, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3) The right to provide written consent before PCC discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A College official is a person employed by the College in an administrative, supervisory, academic or research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using college employees or officials (such as an attorney, auditor, or collection agent); a person serving on the College Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. PCC has designated the National Student Clearinghouse as a College official. A College official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibilities for the College. Upon request, the College discloses educational records, without a student's consent, to officials of another school, in which a student seeks or intends to enroll, or after enrollment. The college may share educational records with parents in the following circumstances: for a student who is dependent under I.R.S. tax code; a student under 21 years old who has violated a law or the school's rules or policies governing alcohol or substance abuse; and when the information is needed to protect the health or safety of the student or other individuals in an emergency.

FERPA Annual Notice to Reflect Possible Federal and State Data Collection and Use. As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records - including the social security Number, grades, or other private information - may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (Federal and State Authorities) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain userestriction and security data promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your educational records, and they may track your participation in educational and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

The Colorado Community College System considers the following to be directory information and PCC staff may disclose this information, without prior consent, to anyone inquiring in person, by phone, or in writing: Student name; Major field of study; most recent educational institution attended; participation in officially recognized activities and sports; height and weight (only for students in officially recognized activities and sports); dates of student attendance; and degrees / certificates and awards student has earned.

Additionally, address, phone number, and e-mail addresses of students may be released to military recruiters upon request in accordance with the Solomon Amendment. All other information contained in student records is considered private and not open to the public without the student's written consent. Students who do not want their directory/public information released to third parties or students who do not want to be listed in the College Directory should complete a form to suppress directory information. This form is available online, at the Registrar's Office or at the Fremont Campus or SCCC - East or West Campuses.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW Washington, DC 20202-5901.

Violence Against Women Act (VAWA), Section 304 – Mandatory Training for Students

Included in the bill is Section 304, which addresses sexual violence in higher education. Pueblo Community College fully supports VAWA by educating, preventing, and supporting the community about issues surrounding domestic violence, dating violence, sexual assault, and stalking; defining consent; promoting options for bystander intervention; recognizing warning signs of abusive behavior; and promoting ways to avoid potential attacks. For more information on student safety and compliance training, please contact the Dean of Students by calling 719.549.3035.

Assistance for victims is available through a consortium of the Pueblo Rape Crisis Center, PCC Police Department, and Dean of Students. For more information, feel free to contact any of the following offices: Vice President of Human Resource Officer/Title IX Coordinator; Senior Student Affairs Officer (SSAO) or designee; Dean of Students, and Chief of Pueblo Community College Police Department. Please refer to the <u>US Department of Justice web page</u> for updated information on VAWA or the URL at: https://www.justice.gov/tribal/2013-and-2022-reauthorizations-violence-against-women-act-vawa. Below is the main text from this page on VAWA.

2013 and 2022 Reauthorizations of Violence Against Women Act (VAWA)

The Violence Against Women Reauthorization Act of 2013 (VAWA 2013) included a historic provision that recognized the inherent authority of "participating Tribes" to exercise "special domestic violence criminal jurisdiction" (SDVCJ) over certain defendants, regardless of their Indian or non-Indian status, who commit acts of domestic violence or dating violence or violate certain protection orders in Indian country. This provision enabled Tribes to exercise criminal jurisdiction over non-Indian offenders for the first time since the Supreme Court's 1978 decision in Oliphant v. Suquamish Indian Tribe, which held that, absent express Congressional authorization, Tribes lack jurisdiction over all crimes committed by non-Indians. The Act also specified the rights that a participating Tribe must provide to defendants in SDVCJ cases.

In 2022, Congress amended this provision to recognize "special Tribal criminal jurisdiction" (STCJ) over an expanded list of "covered crimes" that includes, in addition to VAWA 2013 crimes, assault of Tribal justice personnel, child violence, obstruction of justice, sexual violence, sex trafficking, and stalking. This expanded recognition of Tribal sovereignty was enacted by the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), signed into law by President Biden on March 15, 2022. VAWA 2022 also specifically refers to participating Tribes as including those in the state of Maine and establishes a pilot program under which the Attorney General is to designate up to five Alaska Tribes per calendar year as participating Tribes to exercise STCJ over all persons present in the Tribe's Village.

GENERAL PROCEDURES

Pueblo Community College Animals on Campus Policy

In accordance with <u>Board Policy (BP) 16-70 web page</u> or the URL at: https://cccs.edu/about/governance/policies-procedures/bp-16-70-animals-on-campus/ and https://cccs.edu/about/governance/policies-procedures/sp-16-70a-animals-on-campus/ Pueblo Community College (PCC) has established the following policy regarding animals on campus.

PCC is an educational institution that hosts supervised educational and recreational events for both adults and children. The college is committed to maintaining a healthy academic environment where students, faculty, staff, and administrators can teach, learn, and work in classrooms, laboratories, libraries, offices, and other campus spaces with minimal distractions or interruptions.

To support this goal, PCC has adopted the following regulations, which will be enforced by the appropriate administrative supervisor.

Animals on Campus: General Policy

In consideration of personal safety and sanitation, **privately owned animals are not permitted inside any PCC building**, with the following exceptions:

1. Service Animals

Service animals, as defined by the **Americans with Disabilities Act (ADA)**, are permitted on campus. A service animal is a dog that is individually trained to do work or perform tasks for a person with a disability. This includes, but is not limited to, guide dogs for individuals who are blind or visually impaired.

2. Approved Non-Service Animals

Animals brought on campus for a specifically authorized and approved show, contest, or event involving the demonstration of trained skills.

Animals' Behavior and Restrictions

Animals on campus **must always be leashed and under control**. Individuals found in violation of this policy will be asked to remove the animal immediately. Repeated violations may result in disciplinary action or referral to local animal control authorities.

- **Unattended animals** may be impounded by the PCC Police Department or local law enforcement and turned over to animal control officers.
- Animals must be closely supervised by an adult at all times.
- Animals are prohibited from entering hazardous areas, including labs or equipment rooms, unless
 approved by the appropriate dean or administrative supervisor.
- Animals are subject to usage restrictions or privileges established by individual campus facilities.
- Animals may not attend a class in session without prior approval from the instructor.
- Animals under the care of an instructor may not attend class without approval from the immediate supervisor.
- On rare occasions, non-service animals may be permitted in workspaces with advance written approval from the appropriate dean, supervisor, or department head—provided their presence does not disrupt the educational or work environment or pose health or safety concerns.
- Animals involved in programs or special events must comply with the rules set by the event or program sponsors.

Special Note on Service Animals:

Service animals are welcome on campus and are not required to be registered with the Accessibility Center or obtain prior approval to be present, as they are protected under the ADA.

Please note:

- Emotional support animals, therapy animals, and comfort animals are not considered service animals
 under the ADA and are not permitted in PCC buildings unless otherwise approved under specific
 accommodation policies.
- A service animal is defined by the ADA as a dog that has been individually trained to perform a task or specific work for a person with a disability. The tasks performed must be directly related to the individual's disability.

Expectations for Service Animals on Campus

Service animals and their handlers/owners must adhere to the following guidelines while on PCC property:

- The animal must always be under the handler's control and may not roam freely, bark excessively, run, play, sniff through bags, jump on furniture, or approach others without invitation.
- The animal may be off leash **only if** tethering interferes with the animal's trained tasks.
- The service animal must be housebroken.
- The service animal must not exhibit dangerous or disruptive behavior, including growling, aggressive barking, snapping, biting, or lunging.

Policy Violations

If a service animal and its handler are not adhering to these policies, the handler may be asked to remove the animal from the classroom, office, or event. Any incident must be documented by PCC faculty, staff, or instructors by submitting a **Behavior Report**.

Violence Against Women (VAWA)

Violence Against Women (VAWA) addresses sexual violence in higher education. Pueblo Community College fully supports VAWA by educating, preventing and supporting the community about issues surrounding domestic violence, dating violence, sexual assault, and stalking; defining consent; promoting options for bystanders' intervention; recognizing warning signs of abusive behavior; and promoting ways to avoid potential attacks.

Moreover, victims of domestic violence, dating violence, sexual assault and stalking are crimes that PCC will not tolerate.

Assistance for victims is available through a consortium of the Pueblo Rape Crisis Center, PCC Dean of Students Office, Pueblo Community College Police Dept., Vice President of Human Resources/<u>Title IX web page</u> or the URL at: https://pueblocc.edu/Title-IX Coordinator and Vice President of Student Success.

Please refer to the updated information on VAWA on the <u>US Department of Justice web page</u> or the URL at: https://www.justice.gov/tribal/2013-and-2022-reauthorizations-violence-against-women-act-vawa. Below is the main text from this page on VAWA.

2013 and 2022 Reauthorizations of the Violence Against Women Act (VAWA)

The Violence Against Women Reauthorization Act of 2013 (VAWA 2013) included a historic provision that recognized the inherent authority of "participating Tribes" to exercise "special domestic violence criminal jurisdiction" (SDVCJ) over certain defendants, regardless of their Indian or non-Indian status, who commit acts of domestic violence or dating violence or violate certain protection orders in Indian country. This provision enabled Tribes to exercise criminal jurisdiction over non-Indian offenders for the first time since the Supreme Court's 1978 decision in Oliphant v. Suquamish Indian Tribe, which held that, absent express Congressional authorization, Tribes lack jurisdiction over all crimes committed by non-Indians. The Act also specified the rights that a participating Tribe must provide to defendants in SDVCJ cases.

In 2022, Congress amended this provision to recognize "special Tribal criminal jurisdiction" (STCJ) over an expanded list of "covered crimes" that includes, in addition to the VAWA 2013 crimes, assault of Tribal justice personnel, child violence, obstruction of justice, sexual violence, sex trafficking, and stalking. This expanded recognition of Tribal sovereignty was enacted by the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), signed into law by President Biden on March 15, 2022. VAWA 2022 also specifically refers to participating Tribes as including those in the state of Maine and establishes a pilot program under which the Attorney General is to designate up to five Alaska Tribes per calendar year as participating Tribes to exercise STCJ over all persons present in the Tribe's Village.

If you have a concern, please do the following:

- If the concern is an immediate safety concern, call 911 and follow instructions of emergency personnel
- After the immediate safety concerns are addressed by emergency personnel, provide the applicable victim's bill of rights, provide the area/campus specific located on the <u>PCC Police web page</u> or https://pueblocc.edu/public-safety
- Reference <u>PCC's Sexual Misconduct/Title IX web page</u> or the URL at: https://pueblocc.edu/Title-IX that includes information on the reporting process, valuable support resources PCC for the 2013 and 2022 Reauthorizations of Violence Against Women Act (VAWA)

Through the Higher Education Act, the National Voter Registration Act, and Colorado law, PCC is required to distribute voter registration forms at the web page or the URL at:

https://www.sos.state.co.us/voter/pages/pub/olvr/verifyNewVoter.xhtml to students. PCC is in compliance with making a good faith effort by notifying each student enrolled in a degree or certificate program on how to register to vote.
