

A Student Resource Guide Related to Sexual Misconduct:  
College Policies, Procedures, and Victim Services

Pueblo Community College acknowledges the contribution of ATIXA in the development  
of this guide  
9.12.2023

## **Why this Resource Guide?**

Colleges are required by law and by a sense of fairness to protect students from gender-based discrimination and from acts of sexual misconduct. Both Title IX of the Education Amendments of 1972 and the Violence Against Women Act (VAWA) legally require colleges to provide these protections.

Some actions by college students and staff can be a combination of criminal acts and violations of Colorado Community College System (CCCS) Board Policies (BPs), CCCS System Procedures (SPs) and/or Policies, and Pueblo Community College's Code of Student Behavioral Expectations and Responsibilities. Alleged criminal acts are investigated by Pueblo Community College's Police Department or by local law enforcement, while the College's Dean of Students conducts alleged violations of the PCC's Code of Student Behavioral Expectations and Responsibilities.

Allegations of sexual misconduct and Title IX concerns outlined in the CCCS BP 19-60 Prohibition of Discrimination, Harassment or Retaliation located at the following [link](#) or <https://cccs.edu/policies-and-procedures/bp-19-60-prohibition-of-discrimination-harassment-or-retaliation/> follow the CCCS SP 19-60a – Civil Rights and Sexual Misconduct Resolution Process at the following [link](#) or <https://cccs.edu/policies-and-procedures/sp-19-60a-civil-rights-and-sexual-misconduct-resolution-process/> to resolve the reported concerns.

Pueblo Community College (PCC) will ensure all allegations of gender-based discrimination and acts of sexual misconduct are investigated. (Specifics on how PCC investigates cases are found in the [PCC Student Handbook](#) or [https://pueblocc.edu/Student\\_Handbook](https://pueblocc.edu/Student_Handbook). PCC will act fairly to both the alleged victim and the alleged responsible person, with PCC's objective to discover the facts of a case and to determine using the standard of a preponderance of evidence (more likely than not) whether or not a violation took place. When PCC determines that a violation has taken place, PCC will impose reasonable sanctions that educate the responsible person of the severity of the person's actions as well as protect both the victim and the community from future similar actions.

In order to assist students in increasing their awareness and in helping them prevent gender-based discrimination and sexual misconduct, PCC has prepared this document.

## **What is Title IX?**

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX states:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Whenever the College receives a Title IX complaint, the College will have the complaint investigated. The College must:

- Stop the behavior,
- Remediate the impact, and
- Prevent any re-occurrence.

### **What is VAWA?**

VAWA is the Violence Against Women Act, which now requires Colleges to provide ongoing training and activities to all students and staff to increase awareness and prevention of any type of sexual misconduct, including:

Domestic Violence
Sexual Assault
Dating Violence
Stalking

### **What is the Clery Act?**

The Clery Act is a federal law that requires Colleges to publish an annual Safety and Security Report. This report lists specific campus crimes as well as providing comprehensive information on crime prevention. The Clery Act requirements were expanded by the reauthorization of VAWA.

### **POLICY**

Board Policy (BP) 19-60 located at the following [link](#) or <https://cccs.edu/policies-and-procedures/bp-19-60-prohibition-of-discrimination-harassment-or-retaliation/> provides that individuals affiliated with College Community College System (CCCS – PCC is a member of CCCS) shall not discriminate or harass on the basis of sex, gender, race, color, age, creed, national or ethnic origin, ancestry, physical or mental disability, familial status, veteran or military status, pregnancy status, religion, genetic information, gender identity, sexual orientation, gender expression, or gender identity, or any other protected class or category under applicable local, state or federal law (also known as “civil rights laws”), in connection with employment practices or educational programs and activities (including in admissions). BP 19-60 further provides that individuals affiliated with CCCS shall not retaliate against any person who opposes discrimination, harassment or retaliation, or participates in any complaint or investigation process. Allegations of violations of BP 19-60 follow the CCCS SP 19-60a – Civil Rights and Sexual Misconduct Resolution Process located at the following [link](#) or <https://cccs.edu/policies-and-procedures/sp-19-60a-civil-rights-and-sexual-misconduct-resolution-process/> to resolve the reported concerns.

Sexual misconduct, including sexual harassment, sexual assault, dating violence, domestic violence, and stalking are also violations of PCC's Code of Student Behavioral Expectations and Responsibilities located in the [Student Handbook](https://pueblocc.edu/Student_Handbook) or [https://pueblocc.edu/Student\\_Handbook](https://pueblocc.edu/Student_Handbook), and PCC's sexual misconduct policy. A number of federal laws and regulations, including Title IX, the Violence Against Women Act (VAWA), AND the Clery Act mandate how institutions respond to such allegations. Many types of sexual misconduct also constitute violations of Colorado law. Members of the campus community, guests, and visitors have a right to be free from sexual misconduct. All members of the community must conduct themselves in a way that does not infringe upon the rights of others. PCC's sexual misconduct policy is intended to define expectations for appropriate conduct and outline resolution processes to address conduct that does not meet these expectations. When individuals accused of sexual misconduct are found to be in violation of the policy, PCC will impose serious sanctions, as noted on the following pages.

All members of the campus community, guests, and visitors are protected by this policy regardless of their gender, sexual orientation, or gender identity. PCC has jurisdiction over all acts of sexual misconduct involving members of the PCC campus community, no matter where they occur, whether on- or off-campus.

## **SEXUAL MISCONDUCT VIOLATIONS**

The following are the definitions of conduct prohibited by the sexual misconduct policy.

### **Sexual Harassment**

Sexual harassment is unwelcome, sexual, sex-based, and/or gender-based verbal, online, and/or physical conduct.

Sanctions range from WARNING through EXPULSION.

### **Hostile Environment**

A sexual harassment – hostile environment is created when sexual harassment is sufficiently severe, or persistent or pervasive, and objectively offensive that it unreasonably interferes with, denies, or limits someone's ability to participate in or benefit from the institution's educational (and/or employment) and social programs.

Sanctions range from WARNING through EXPULSION.

### **Non-Consensual Sexual Contact**

Non-consensual sexual contact is any intentional sexual touching; however slight, with any object, by a person upon another person that is without consent and/or by force.

Sanctions range from WARNING through EXPULSION.

### **Non-Consensual Sexual Intercourse**

Non-consensual sexual intercourse is any sexual intercourse; however slight, with any object, by a person upon another person that is without consent and/or by force.

Sanctions typically result in SUSPENSION or EXPULSION.

### **Sexual Exploitation**

Sexual exploitation occurs when one person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage of anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses.

Sanctions range from WARNING through EXPULSION.

### **Domestic Violence**

Domestic violence is physical violence, sexual violence, and/or emotional or psychological abuse between those in an intimate relationship.

Sanctions range from WARNING through EXPULSION.

### **Stalking**

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for the person's safety or the safety of others or
- Suffer substantial emotional distress

Sanctions typically result in SUSPENSION or EXPULSION.

### **Retaliation**

Retaliation is any adverse action taken against a person participating in a protected activity, because of that person's participation in that activity, subject to limitations imposed by the First Amendment and/or academic freedom

Sanctions range from WARNING through EXPULSION.

### **CONSENT**

Knowing, voluntary, and clear permission, through words or actions, to engage in mutually agreed upon sexual activity or contact.

Since different people may experience the same interactions differently, each party is responsible for making sure that partners have provided ongoing, clear consent to engaging in any sexual activity or contact.

A person may withdraw consent at any time during sexual activity or contact through words or actions. If that happens, the other party must immediately cease the activity or contact. Pressuring another person into sexual activity can constitute coercion, which is also considered to be sexual misconduct.

Silence or absence of resistance alone does not constitute consent. A victim is not required to resist or say “no” for an offense to be proven.

Consent to some forms of sexual activity (e.g., kissing, fondling, etc.) should not be construed as consent for other kinds of sexual activity (e.g., intercourse).

Being or having been in a dating relationship with the other party does not mean that consent for sexual activity exists.

Previous consent to sexual activity does not imply consent to sexual activity in the future.

To legally give consent in Colorado in most cases, individuals must be at least 17 years old.

### **Force**

Force is defined as direct or indirect use of physical violence and/or imposing physically on someone to gain sexual access. Force, unless part of a mutually-permissible kink, is a clear demonstration of a lack of consent.

### **Incapacitation**

Incapacitation is defined as a state in which individuals are unable to make rational, reasonable decisions because they lack the capacity to understand the “who, what, when, where, why, or how” of a situation or interaction. Individuals cannot give sexual consent if they cannot understand what is happening, or if they are disoriented, helpless, asleep, or unconscious for any reason. That applies even if it is because they voluntarily consumed alcohol or drugs. Unless consent is “knowing,” it is not valid.

Those engaging in sexual activity who know or should have known that the other party is incapacitated are engaging in sexual misconduct. The possession, use, distribution, and/or administration of any incapacitating substance is prohibited.

The fact that the responding party was intoxicated, and thus did not realize the reporting party was incapacitated, does not excuse sexual misconduct.

## **YOUR RIGHTS**

PCC strives to provide all of our members with fair and equitable resolution processes that include both formal and informal options.

## **Reporting**

- Reporting parties have the right to notify law enforcement of incidents and to receive assistance from campus personnel in doing so. Local law enforcement contact information and the Victim's Bill of Rights can be found at the PCC Police website located at the following [link](#) or <https://pueblocc.edu/public-safety>.
- Reporting parties may decline to report to law enforcement if they so wish.
- Reporting parties have the right to have their allegations investigated and resolved internally by PCC. Allegations of sexual misconduct can be reported to PCC Title IX Coordinator or Deputy Coordinators located on the PCC's Sexual Misconduct & Title IX webpage located at the following [link](#) or <https://pueblocc.edu/Title-IX>.

## **Confidential Crime Reporting – Pastoral and Professional Counselors**

Licensed professional mental health counselors and pastoral counselors (employed by religious organizations to provide confidential counseling) who are working within the scope of their license or religious assignment at the time they receive the crime report are exempt from reporting under the Clery Act. Individuals seeking confidential discussions of concerns may explore and utilize local professionals referenced above who are working within the scope of their license or religious assignment. Please refer to the Student Resource Guide Related to Sexual Misconduct, policies, procedures, and victim services located on the PCC Title IX & Sexual Misconduct at the following [link](#) or <https://pueblocc.edu/Title-IX>.

PCC does not employ pastoral counselors at any campus or sites. Confidential reporting is available to individuals on the Pueblo Campus only. Counseling services are available through the Pueblo Campus Health Clinic through a Memorandum of Understanding with the Pueblo Community Health Center. Individuals also have the opportunity to use outside counseling services.

Pueblo Community College does not offer counseling services at our Fremont and Southwest Campuses/sites. Individuals are encouraged to utilize local counseling services.

### **Support**

- Students have a right to be notified of their ability to access campus counseling and health services.
- Students and employees have a right to be notified of on-and off-campus supportive resources.
- All parties involved in sexual misconduct allegations will receive the information and assistance needed to effectively participate in all proceedings.

- Support resources can be found below in the “Key Contacts” section of this document.

## **REMEDIES**

PCC may take whatever steps are deemed necessary to appropriately respond to allegations of sexual misconduct protect student's rights, and keep members of the campus community safe from further harm. Measures include, but are not limited to:

- Issuing interim actions (usually suspension) pending an investigation or hearing
- Reporting incidents to local police and/or prosecutors
- Referring to (CSEAP) Colorado State Employee Assistance Program
- Providing education to the community
- Altering work arrangements for employees
- Providing campus escorts
- Providing transportation assistance
- Implementing contact limitations between the parties
- Offering adjustments to academic deadlines, course schedules, etc.

These measures are available regardless of whether a reporting party seeks formal resolution or makes a crime report.

## **PROCEDURES**

The PCC procedures are detailed fully in the [Student Handbook](https://pueblocc.edu/Student_Handbook) or [https://pueblocc.edu/Student\\_Handbook](https://pueblocc.edu/Student_Handbook)

### **Intake**

A PCC official will assist the reporting party with making choices and accessing resources. Interim actions may be implemented while the complaint is under review or investigation.

All resolutions will be conducted by campus officials who receive annual training on issues related to domestic violence, dating violence, sexual assault, and stalking, and on how to investigate a hearing process that protects the safety of victims and promotes accountability.

The resolution process is confidential. PCC will protect the confidentiality of victims, consistent with federal law. Title IX-related resolutions are not subject to publicly available record-keeping provisions. Any release of information about a resolution will be accomplished without the inclusion of identifying information about the victim, to the extent permissible by law.

### **Preliminary Inquiry**

Upon receipt of a complaint, the Title IX/EO Coordinator will determine if there is sufficient information to support a claim of a violation. This decision is made by the Title IX Coordinator considering the nature of the allegations and the reporting party's wishes. If no reasonable cause is found to initiate a formal investigation, the Title IX/EO Coordinator will notify the complainant and provide options for addressing concerns.

## **Investigations**

If there is reasonable cause and the complainant wishes to proceed, the Title IX/EO Coordinator will initiate an informal resolution or a formal investigation. An investigative model is used to resolve allegations. Trained investigators will provide an investigation that is prompt, thorough, reliable, equitable, fair, and impartial. They will interview reporting and responding parties and witnesses, and prepare a preliminary investigative report with relevant facts for the complainant and responded to review.

At the conclusion of the formal investigation, there shall be a Final Investigation Report submitted to the Title IX/EO Coordinator with findings. Information about all the steps in the investigative process is available in the [Student Handbook](#) or [https://pueblocc.edu/Student\\_Handbook](https://pueblocc.edu/Student_Handbook).

## **Hearings**

For cases involving Sexual Harassment with in the United States, the Title IX/EO Coordinator shall initiate a live hearing. Hearings related to sexual harassment cases will be held in accordance with [SP 19 60](#) or <https://www.cccs.edu/about-cccs/state-board/policies-and-procedures>.

Other civil rights cases will not result in a live hearing.

## **Standard of Evidence**

PCC uses a preponderance of evidence standard. Decision-makers consider whether, given available credible evidence, it is more likely than not that a violation did or did not occur.

## **Past History**

The past sexual history or character of an individual is not considered unless it is determined to be highly relevant. All such information sought to be entered for consideration by a party or PCC will be presumed irrelevant until evidence of its relevance is offered. The existence of a pattern of behavior by the responding party may be relevant to the finding and sanction imposed. Both parties will be notified in advance if such information has been deemed relevant and will be considered during the process.

## **Final Determination**

A Final Determination Report will be issued either by the investigators or the Hearing Officer to the Title IX/EO Coordinator. The Title IX/EO Coordinator shall provide the complainant and respondent with a formal Notice of Findings, with a copy of the Final Investigation Report and Determination Report, if applicable, attached. The parties will be advised of their right to appeal.

## **Appeals**

Once a Determination Report is received, either from the investigators or Hearing Officer, The Title IX/EO shall provide written Notice of Finding to the complainant and respondent. Both parties shall be notified of their right to appeal based on the grounds in accordance with the timeline listed in [SP 19 60](#) or <https://www.cccs.edu/about-cccs/state-board/policies-and-procedures>. There is only one level of appeal. That decision is final. See the [Student Handbook](#) or [https://pueblocc.edu/Student\\_Handbook](https://pueblocc.edu/Student_Handbook) for further details.

Direct any questions or concerns on the Sexual Misconduct & Title IX process to PCC's Title IX/EO Coordinator—contact information can be found on PCC's Sexual Misconduct & Title IX webpage at the following [link](#) or <https://pueblocc.edu/Title-IX>

## **RISK REDUCTION**

Risk reduction for Sexual Harassment, Dating Violence, Domestic Violence, Sexual Assault, and Stalking.

While victim blaming is never appropriate and PCC fully recognizes that only those who commit sexual misconduct are responsible for their actions, PCC provides these suggestions to help individuals reduce their risk of being victimized and their risk of committing acts of sexual misconduct.

### **Reducing the Risk of Victimization**

- ✓ Make known as early as possible, any limits and boundaries you have.
- ✓ Clearly and firmly articulate consent or lack of consent.
- ✓ Remove yourself, if possible, from an aggressor's physical presence.
- ✓ Reach out for help, either from someone who is physically nearby or by calling someone. People around you may be waiting for a signal that you need help.
- ✓ Take affirmative responsibility for your alcohol and/or drug consumption. Alcohol and drugs can increase your vulnerability to sexual victimization.
- ✓ Look out for your friends, and ask them to look out for you. Respect them, and ask them to respect you, but be willing to challenge each other about high-risk choices.

### **Reducing The Risk of Being Accused of Sexual Misconduct**

- + Show your potential partner respect if you are in a position of initiating sexual behavior.
- + If a potential partner says, "no," accept it and do not push. If you want a "yes," ask for it; do not proceed without clear permission.
- + Clearly communicate your intentions to your potential sexual partner, and give them a chance to share their intentions and/or boundaries with you.
- + Respect personal boundaries. If you are unsure what is OK in any interaction, ASK!
- + Avoid ambiguity. Do not make assumptions about consent, about whether someone is attracted to you, how far you can go with that person, or if the individual is physically and mentally able to consent. If you have questions or are unclear, you DO NOT have consent.

- + Do not take advantage of someone who may be under the influence of alcohol or drugs, even if that person chose to become that way. Others loss of control DOES NOT put you in control.
- + Be on the lookout for mixed messages. It should be a clear indication to stop and talk about what your potential partner wants or does not want to happen. That person may be undecided about how far to go with you, or you may have misread a previous signal.
- + Respect the timeline for sexual behaviors with which others are comfortable, and understand that they are entitled to change their minds.
- + Recognize that even if you do not think you are intimidating in any way, your potential partner may be intimidated by or fearful of you, perhaps because of your gender, physical size, or a position of power or authority you may hold.
- + Do not assume that someone's silence or passivity is an indication of consent. Pay attention to verbal and non-verbal signals to avoid misreading intentions.
- + Understand that consent to one type of sexual behavior DOES NOT automatically grant consent to other types of sexual behaviors. If you are unsure, stop and ask!
- + Understand that exerting power and control over another through sex is unacceptable conduct.

## **ABOUT CONFIDENTIALITY**

To make informed choices, all parties should be aware of confidentiality and privacy issues, as well as institutional mandatory reporting requirements.

### **Confidential Reporting**

If reporting students wish that details of an incident be kept confidential, they should speak with campus health services providers. Members of the clergy, chaplains, and off-campus rape crisis center staff can maintain confidentiality. Local resources such as crisis centers are confidential and have no duty to report your information to representatives of PCC.

### **Mandatory Reporting**

All PCC employees who are not designated above as confidential are mandatory reporters for all the details of which they are aware about an incident. They share this information with the Title IX Coordinator. Giving a mandated reporter notice of an incident constitutes official notice to PCC. Incidents of sexual misconduct will be taken seriously when official notice is given to the institution. Such incidents of sexual misconduct will be investigated and resolved in a prompt and equitable manner under the College's resolution procedures, which is discussed in the PROCEDURES section of this publication.

You may request confidentiality and/or that the Title IX Coordinator provides you with remedies and resources without initiating a formal resolution process. The Coordinator will weigh requests for confidentiality against the institutional need to address and remedy discrimination under Title IX. Generally, PCC will be able to respect your wishes, unless it believes there is a threat to the community based upon the use of weapons, violence, pattern, predation, or threatening conduct by the person being accused.

In cases where your request for confidentiality is granted, PCC will offer you available resources, supports, and remedies. You are not obligated to pursue formal resolution in order to access the resources that are available. If PCC decides that it is obligated to pursue a formal resolution based on the notice you have given, you are not obligated to participate in the resolution process; however, the ability of PCC to enforce its policies or provide some remedies may be limited as a result of your decision not to participate.

### **Incidents Involving Minors**

Please be aware that institutional duties with respect to minors, those under the age of 17, may require reporting sexual misconduct incidents to state agencies and/or local law enforcement. As a result, confidentiality cannot be guaranteed in sexual misconduct incidents involving minors.

### **PCC Sexual Misconduct/Title and Safety Webpages**

Can be found at [Title IX](#) or: [www.pueblocc.edu/Title-IX](http://www.pueblocc.edu/Title-IX) and [Public Safety](#) or [www.pueblocc.edu/public-safety](http://www.pueblocc.edu/public-safety)

## **IF YOU HAVE EXPERIENCED SEXUAL MISCONDUCT**

1. Go to a safe location as soon as possible.
2. Seek immediate medical attention if you are injured or believe that you may have been exposed to an STI/STD or potential pregnancy.
3. Contact any of the KEY CONTACTS listed below.
4. It is important to preserve physical evidence that may include tissue and fluid samples, evidence of violence, sheets, towels, clothing, etc. You may choose to avoid washing, bathing, urinating, etc., until after being examined at a local medical center. Because evidence of a sexual assault can deteriorate quickly, you may choose to seek a medical exam as soon as possible with a Sexual Assault Nurse Examiner (SANE) at PARKVIEW MEDICAL CENTER or ST. MARY CORWIN (Pueblo), ST. THOMAS MORE HOSPITAL (Cañon City), MERCY REGIONAL MEDICAL CENTER (Durango), SOUTHWEST HEALTH SYSTEM (Cortez), PAGOSA SPRINGS MEDICAL CENTER (Bayfield). It is best to complete an examination within 120 hours of the assault, yet evidence (such as fluids, hair samples, and DNA) can be collected for a long time thereafter.
5. Choose how to proceed. You have options, and PCC encourages you to contact the local crisis center to discuss your options:
  - a. Do nothing until you are ready,
  - b. Pursue resolution by PCC, and/or
  - c. Initiate criminal proceeding, and/or
  - d. Initiate civil process against the perpetrator.

You may pursue whatever combination of options is best for you. If you wish to have an incident investigated and resolved by PCC, you should contact the following individuals at your campus/site: Pueblo Campus Contact: PCC Police Dept. Student Center, Room 160 – 719.549.3355; Fremont Campus Contact: Cody Dornhecker, Public Safety – Room L104 – 719.296.6130; PCC Southwest Campus and Sites Contact: Regional Director, Academic Services, Perry Pepper – 970.564.6205. Employees should contact the Human Resources Office, Central Administration, Room 111, 719.549.3220. College procedures will be explained. If you wish to have an incident handled criminally, you should contact the PCC Police Department or local law enforcement where the assault occurred. A campus official is available to accompany you in making such reports, if desired. For further information, please contact any of the individuals listed above at your campus/site.
