2022 Pueblo Community College Annual Security Report

Executive Summary

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990, also known as the Clery Act, the Pueblo Community College Annual Security Report (ASR) is published each year in order to provide accurate information to potential and current students and employees about campus crime statistics, campus crime logs, and policies regarding the safety and security of the campus community. This report covers the main Pueblo Campus of Pueblo Community College (PCC), as well as other campuses/sites: Fremont Campus, Southwest Campus (Mancos), Southwest Site (Durango), and Southwest Site (Bayfield) and all policies and procedures pertain to each campus/site. PCC does not offer, own, or control campus housing. Additionally, PCC does not have or offer off-campus locations for recognized student organizations. Recognized student organizations do not own or control any off-campus locations.

Annually on or before October 1 and each semester thereafter, a notification of the report's availability is emailed to all current students and employees which consists of the last three (3) calendar years – 2019, 2020, and 2021. A link is provided for the current year's ASR containing a summary of its contents and where to obtain a copy. Prospective students who visit one of the campuses/sites are given a notification of availability form by Enrollment Services. Human Resources attaches notification of availability to job postings for those potential employees who apply on-line. As noted, a notification of the report's availability is emailed to all current students and employees, with a website link of the current year's ASR, a summary of its contents, and how to access the report.

A printed copy of the ASR may be obtained at the PCC Police Department, and Office of the Vice President of Student Success

Pueblo Community College posts the Annual Security Report (ASR) on its [website](#) under the Police Department's tab.

Preparing the Annual Security Report

The PCC Police Department and the PCC Dean of Students (DOS) are responsible for the preparation of this annual report. Information provided in this report is in collaboration of information, policy statements, and Clery reportable crime statistics which are drawn from (but not limited to) the following partners: DOS, PCC Police Department, Human Resources, Local Law Enforcement, and Campus Security Authorities (CSAs).

Law Enforcement Qualifications Authority and Working Relationship with Other Enforcement Agencies

Pueblo Community College maintains its own professional police. The department is staffed with experienced State-Certified peace officers who have been trained in Colorado Peace Officer Standards and Training (P.O.S.T.) procedures; therefore, possess authority per Colorado Revised Statute ([CRS 16-2.5-101](#)). PCC maintains the following campuses/sites (Pueblo, Fremont, Durango site, Bayfield site, and Mancos) located in the state of Colorado; the above-mentioned campuses and sites are PCC Police's primary jurisdiction. PCC's main campus is located in the City and County of Pueblo; therefore, working closely with the Pueblo County Sheriff's Office and the Pueblo Police Department. Memorandums of Understanding are in place with both agencies for immediate mutual aid assistance criminal investigations. The Fremont Campus is located in Cañon City and is staffed with a State-Certified peace officer which is the police officer's primary jurisdiction. There is a Memorandum of Understanding with the Cañon City Police Department for mutual aid assistance regarding criminal investigations. The PCC Southwest Campus and Durango Site is staffed with private security guards. Law enforcement services are also provided by the Durango Police Department for the PCC Southwest Site in Durango, the Bayfield Marshal's Office for the Bayfield Site, and the Montezuma County Sheriff's Office for the PCC Southwest Campus in Mancos.

Depending on campus locations the PCC Police Department may call upon other state agencies such as: Colorado Bureau of Investigations (CBI), Colorado State Patrol (CSP) and/or the Federal Bureau of Investigations (FBI) to assist with a critical incident.

CSAs are defined by Clery "as someone who has significant responsibility for students and campus activities." As outlined in the PCC Student Handbook, the College encourages and expects students, faculty, and staff to engage as active bystanders and report to College officials' incidents that involve infractions and/or concerning behavior outlined in the PCC Student Handbook. The following are a few examples of CSAs:

Any area underlined is a hyperlink which will direct you to a website.

Safety Plans

Safety plans outline emergency procedures specific to a division. PCC Police Department personnel will work with a representative from each division to review their safety plan. This is an opportunity to evaluate and make recommendations for security enhancements.

Security Lighting Assessment

An assessment of the lighting at each campus/site is conducted to ensure optimal security for our campus population.

Alcohol /Drug Awareness While Operating a Motor Vehicle

Officers assist student groups in providing alcohol/drug awareness training as it pertains to operating a motor vehicle while under the influence.

Registered Sex Offender Policy Statement

In accordance to the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the College is providing a link to the Colorado State Sex Offender Registry. All sex offenders are required to register in the state of Colorado and to provide notice of each institution of higher education in Colorado at which the person is employed, carries a vocation or is a student. In Colorado, convicted sex offenders must register with the Colorado Bureau of Investigation (CBI). [The Colorado sex offender website](#).

Timely Warnings

It is sometimes necessary to notify the campus community about criminal incidents (included but not limited to Clery Act reportable crimes) which constitute a serious threat and that have occurred on Pueblo Community College properties or in contiguous public properties. As a result, Pueblo Community College has developed a timely warning procedure to alert campus community members in order to help prevent similar crimes and protect the campus community. Timely warnings are triggered by crimes (included but not limited to Clery Act reportable crimes) that have already occurred, but represent a serious or continuing threat to the campus community. The warning will be issued as soon as the pertinent information is available. The decision to issue a timely warning will be a collaborative effort between the PCC Police Chief or his/her designee and the President or his/her designee.

Notifications may take the form of text messages, emails, or phone call(s). The PCC Police Chief will consider the nature of the incident, the continuing danger to the campus community, as well as the possible risk of compromising law enforcement efforts to determine whether a timely warning is warranted. Timely warning notifications are prepared and sent by Marketing and/or the PCC Police Department.

Emergency Preparedness and Evacuation Procedures

Pueblo Community College Police Department conducts annual drills in the areas of and not limited to fires, lockout, and/or lockdown. Each drill, regardless of its size, will have documented a description of the drill, the date held, the start and end times, whether the drill was unannounced or announced as well as a summary and assessment of the drill. Each drill of the emergency response and evacuation system serves as a learning experience, so that Pueblo Community College can fine tune the existing system as well as adjust for future needs. These tests also serve as training opportunities for the campus community as a whole. It is through this training that students, faculty, and staff can become more aware of their surroundings and the best course of action during given scenarios.

Each semester a communication will be sent to employees and students to inform them of the emergency operations plan located at the PCC Police webpage at this [link](#).

Emergency Notifications

Emergency notification is triggered by an event that is currently occurring on or imminently threatening the campus. This shall include a dangerous situation involving an immediate threat to the health or safety of campus members. This notification will be sent immediately upon confirmation that a dangerous situation or emergency exists or threatens. The ultimate authority for decisions related to emergencies rest with the College President. The President has delegated this authority to the PCC Police Chief or his/her designee and the deans of the other campuses/sites in an emergency situation (Emergency Notification). The decision to issue an emergency notification will be decided on a case-by-case basis in compliance with the Clery Act and after consideration of available facts. The PCC Police Chief or his/her designee and the deans of the other campuses/sites will communicate with local first responders to determine the level of threat. Based on the information collected, an emergency notification may be sent. The President, PCC Police Chief or his/her designee, and the deans of the other campuses/sites in an emergency situation, may issue an emergency notification immediately if time does not allow for further communication with local responders.

Because every campus/site has its own unique systems, each campus/site uses various forms of communication in order to send out emergency notifications, as indicated below. The dynamic and fluid nature of emergencies dictates that one or more, and not necessarily all of the methods, will be used.

Emergency notifications will be sent to the campuses/sites that are impacted: staff, students, and faculty, are notified in one or more of the following: text messages, emails, phone call(s), and Zone Paging System.

Emergency Operations Plan

PCC maintains an all-hazards Emergency Operations Plan that defines the College's emergency organizational structure and outlines emergency procedures for staff, faculty, and students. This plan is made available to the College community on the [PCC website](#).

Emergency Response Guide(s)

Recognizing the high number of part-time employees, adjunct instructors, and turnover among students in our college community, each classroom, office, or work area is equipped with a "flip chart" style Emergency Procedure Guide (EPG). The EPG lists the most common types of emergencies and provides clear, bulleted, step-by-step guidance on what specific actions to take during any emergency.

Any area underlined is a hyperlink which will direct you to a website.

Standard Response Protocol (SRP)

A critical part of emergency preparedness is having a plan and a system in place to execute it. Pueblo Community College has adopted the "Standard Responses Protocol" to assist students, staff and faculty in the event of an emergency. The protocol is based on four (4) instructions:

- **Lockout** is followed by the directive: "Secure the Perimeter" and is the protocol used to safeguard students and staff within a building.
- **Lockdown** is followed by "Locks, Lights, Out of Sight" is the protocol used to secure individual rooms and keep students quiet and in place.
- **Evacuate** is used to move students and staff from one location to a different location in or out of the building.
- **Shelter** is used when the need for personal protection is necessary such as weather-related threats.

The SRP is posted throughout PCC campuses/sites which may include classrooms and offices and available on the staff and student Portals, to include an SRP video. [Public Safety Website](#).

Security of and Access to Campus Facilities

As a public facility, our campuses/sites are open to visitors, students, faculty, and staff during set operational hours and for special events. Access to facilities after hours or during periods when the college is closed is limited based on individual/department needs and/or direction from college administration. Access and security of PCC buildings are a combination of electronic and mechanical locking hardware. The electronic access software and mechanical hardware are managed by the PCC Police Department and Facility Services. For afterhours access or building schedule changes, contact the designated contacts for the applicable campuses/sites below.

Security Considerations Used in the Maintenance of Campus Facilities

The PCC Police Department works with College divisions and offices to review their safety plans. Safety plans include (but not limited to) procedures for fire evacuation, lockdown, and lockout. A monthly lighting survey is completed by the PCC Police Department or their designee; the survey identifies lights that are out or areas that have insufficient lighting. A copy of the report is forwarded to Facilities Services to be addressed. Members of the campus community are encouraged to report any maintenance concerns to Facility Services at 719.549.3345.

Drug, Alcohol, and Substance Abuse Policy Statements

In compliance with the Drug-Free Schools and Communities Act Amendment of 1989 ([Public Law 101-226](#)), students, staff, or faculty shall not engage in the unauthorized or unlawful manufacture, distribution, dispensation, possession, use/abuse of alcohol and/or illicit drugs on college property or as part of any college activity.

Any student, staff, or faculty who are convicted of the unlawful manufacture, distribution, dispensation, possession, use, or abuse of illicit drugs or alcohol is subject to criminal penalties under local, state, or federal law. These penalties range in severity from a fine of \$100 up to \$8,000,000 and/or life imprisonment. The exact penalty assessed depends upon the nature and the severity of the individual offense. The possession and/or consumption of alcohol by a minor is addressed in Appendix A (listed below), 18-13-122.

Additionally, to encourage students to seek medical assistance for themselves and/or others in the event of life-threatening circumstances from alcohol and/or other drugs and in the spirit of the Colorado revised statute 18-13-122 (listed below), students may be eligible (in the student conduct process) for medical amnesty if they proactively call 911 and/or Public Safety for help. The primary PCC administrator responsible for student conduct concerns (or their designee) may grant medical amnesty for the reporting student and/or student impacted by life threatening circumstances (from alcohol and/or drugs) may not be subject to disciplinary sanctions but may have educational sanctions in the student conduct process.

The College will impose penalties against students who violate the Drug-Free Schools and Communities Act Amendments of 1989 ([Public Law 101-226](#)). Violators will be subject to disciplinary action under student disciplinary policies. The sanctions include but are not limited to probation, suspension, or expulsion from the College, termination of employment, and referral to authorities for prosecution, as appropriate. Found in the 2022-2023 [Student Handbook](#).

Alcohol/Drugs: Use, being under the influence, manufacturing, possession, cultivating, distribution, purchase, or sale of alcohol and/or drugs (illegal and/or dangerous or controlled substance) and/or alcohol/drug paraphernalia while on College-owned or College-controlled property, and/or at any function authorized or supervised by the College, and/or in state owned or leased vehicles.

NOTE: Possession of a state of Colorado medical marijuana card does not entitle a student to possess or use marijuana on the College campus, buildings, or grounds. Although possession and use of marijuana for certain medical conditions consistent with the requirements of the Colorado Constitution is no longer a crime in the state of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug-Free School and Communities Act, the use and/or possession of marijuana by students is prohibited on College owned or College-controlled property, and/or any function authorized or supervised by the College and/or in state owned or leased vehicles.

Laws Related to Drug & Alcohol Use and Sale: Pueblo Community College will take immediate action if any student or employee is violating a law related to the use and sale of alcohol and/or drugs. The possession, sale, and use of any illegal drug are strictly prohibited on the PCC Campus. This includes the use, sale, or distribution of marijuana on campus. Any violations will be immediately referred to the Pueblo County Sheriff's Office. Alcohol sale, use, and possession are dictated by Colorado law and PCC Policies and Procedures and will be strictly enforced.

The following applies to all students, employees, and guests of the College:

- The sale of alcoholic beverages is prohibited except in designated areas, at times and dates approved by PCC Administrators and licensed by the Colorado State Department of Revenue.
- Persons under 21 years of age cannot legally possess or consume malt (six (6) percent beer), fermented malt liquor (3.2 percent beer), vinous, or spirituous liquor. The furnishing of alcoholic beverages to underage persons is prohibited.

Any area underlined is a hyperlink which will direct you to a website.

- No person under legal drinking age or any obviously intoxicated person shall be furnished, served, or given an alcoholic beverage.
- Alcohol cannot be consumed or carried in open containers on any street, sidewalk, alley, automobile, or public area.

Violations of this policy may result in corrective or disciplinary action up to and including termination in accordance with Colorado Community College System Board Policy, System President Procedures, and/or State Personnel Rules. For additional information, please contact the Human Resource Office at 719.549.3220.

2022 Drug-Free Schools and Communities Act (DFSCA) and Biennial Review

In order to fulfill compliance, the 2022 Drug-Free Schools and Communities Act (DFSCA) and Biennial Review of PCCs alcohol and other drug related policies and programs for the 2020-2021 and 2021-2022. The objectives of the review as identified by the U.S. Department of Education included:

- Determining the effectiveness of the College's AOD programs.
- Implementing needed changes to alcohol and other drug programs.
- Ensuring the disciplinary sanctions for violating standards of conduct are enforced consistently by all college employees and students.

The Office of the Vice President of Student Success, in cooperation with the Dean of Students Office, and the Chief of Police at PCC is required to provide a signed statement certifying the Biennial Review and acknowledging awareness of the recommendations within the report. The President of the College, the Vice President of Student Success, the Dean of Students, and the Chief of Police have signed and affirmed the 2022 report. Drug-Free Schools and Communities Act (DFSCA) and Biennial Review Reports are maintained in the Vice President of Student Success Office located on the Pueblo Campus, Student Center, Room 261 and on the [Campus Safety website](#).

The Biennial Review Team will complete and publish the results of the statistical review and the College review, identifying the accomplishments (elements that demonstrated positive results) and recommendations for improvement (elements that need improvement or revision). The report also includes recommendations for any new elements that the College wishes to include in the Drug and Alcohol Awareness and Prevention Program (DAAPP) for the next two years.

Drug and Alcohol Awareness and Prevention Program (DAAPP)

Pueblo Community College conducted a survey of students during the fall 2014 semester and repeated the survey in fall 2016, 2018, 2020 and will repeat again in fall 2022, asking them about alcohol and drug prevalence on campus and the needs of students to address certain elements of alcohol and drug awareness and prevention. The survey results did not identify any specific needs or concerns beyond a general need for awareness and prevention. As a result of this survey, the Dean of Students Office and the PCC Health Clinic have designed a program to present awareness and prevention information and activities during the 2020-2021 year.

The College offered the following **primary prevention and awareness programs for all incoming students** in 2021-2022:

Since the state of Colorado passed legislation legalizing the recreational use of marijuana, the College has found an increase in the number of students on campus who smell of marijuana (not a Student Code of Conduct violation) and who may be under the influence of marijuana (a Student Code of Conduct violation), though the number of incidents regarding the possession of marijuana (violation) have decreased. The College recognizes a need to increase student awareness of the potential dangers of marijuana usage and will develop an awareness program for all PCC students in 2021-2022.

During the 2021-2022 academic year, the Colorado Community College System mandated a COVID-19 testing policy that PCC had to adopt in fall 2021 and impacted all students and employees. During this testing policy and policy implemented by the host medical provider at the campus clinic, the campus clinic staffing model was impacted and resulted in the PCC employed staff member obtaining a new opportunity elsewhere on campus, the PCC position eliminated, and the health focused educational/prevention programming for PCC negatively impacted by the staffing model.

Despite the staffing changes outlined above, educational/prevention programming focused on alcohol/other drug education/prevention and sexual misconduct/Title IX education and prevention were provided via programming outlined in the above charts for primary and on-going education/prevention programming.

Sex Offense Policy Statements

(Please see Appendix C (below) for a complete listing of policies and procedures, including definitions and specific training and awareness programs that the College provided for its students and employees.)

PCC contracted with a company named Vector Solutions (formerly EVERFI) to offer online awareness and prevention training for all students, with an emphasis on dating violence, domestic violence, sexual assault, stalking, and other forms of sexual misconduct. Since PCC's contract was up for renewal with Vector Solutions (formerly EVERFI) at the end of the 2021 - 2022 academic year, PCC conducted a review of all course offerings that Vector Solutions (formerly EVERFI) provided on sexual misconduct prevention that also included a review of other companies that provided online training on sexual misconduct prevention. After the analysis of all courses via Vector Solutions (formerly EVERFI) and prevention courses through other companies, it was determined that the selected Sexual Misconduct Prevention Ongoing course, fulfilled compliance expectations, encourage completion of the course (due to the shortened length), and was not cost prohibitive. Additionally, the AlcoholEdu Ongoing Prevention (covering alcohol and other drugs education/prevention) was co-launched with the Sexual Misconduct Prevention: Ongoing course as there are national studies that document the correlation between both areas of sexual misconduct and alcohol/drug use. These courses were co-launched in the fall 2021 to all students and the spring 2022 semesters to all students that were new to PCC.

In addition to the staffing change (elimination of a position in the PCC Health Clinic) previously referenced, PCC recently funded/staffed the position of Director of Student Life and Leadership in the academic year 2021 – 2022. Due to the vacancy of the Director of Student Life and Leadership for these years 2019-2020 and 2020-2021 years, the College was limited on what it could offer as ongoing awareness and training opportunities for students related to sexual violence.

Starting the 2021-2022 academic year, face-to-face events and programs cautiously resumed with safety expectations to include the mask mandate, physical distancing, and other COVID-19 safety protocols.

The College offered the following **primary prevention and awareness programs for incoming students** in 2021-2022:

(b) Security personnel electronically screen each person who enters the building to determine whether the person is carrying a weapon of any kind; and

(c) Security personnel require each person who is carrying a weapon of any kind to leave the weapon in possession of security personnel while the person is in the building.

(5) Nothing in this part 2 shall be construed to limit, restrict, or prohibit in any manner the existing rights of a private property owner, private tenant, private employer, or private business entity.

(6) The provisions of this section apply to temporary emergency permits issued pursuant to section 18-12-209

Policy Statement for Annual Security Report – Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, as Amended by the Violence Against Women Reauthorization Act of 2013.

Pueblo Community College does not discriminate on the basis of sex in its educational programs and sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether sexually based or not and include dating violence, domestic violence, and stalking. As a result, Pueblo Community College issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence, and stalking, whether the incident occurs on or off campus and when it is reported to a College official. In this context, Pueblo Community College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the College community.

Pueblo Community College is a part of the Colorado Community College System (CCCS) and is governed by the State Board for Community Colleges and Occupational Education (SBCCOE). For a complete copy of the [SBCCOE Board Policies](#) (BP) governing sexual misconduct. [BP 3-120](#), Affirmative Action/Anti-Discrimination, prohibits employee sexual misconduct and [SP-19-60a](#), Prohibition of Discrimination or Harassment, prohibits student sexual misconduct.

Additionally, the Board has delegated procedural authority to the Colorado Community College System President and as a result, the pertinent information can be found at [CCCS System President's Procedures \(SP\)](#) on Sexual Misconduct. [SP 19-60a](#) applies to CCCS employees, authorized volunteers, guests, and visitors. For students, [SP 19-60a](#) applies.

All Sexual Misconduct complaints are investigated pursuant to System President's Procedures, Civil Rights Grievance and Investigation Process. If the respondent to a complaint is a CCCS employee, authorized volunteer(s), guest(s), or visitor(s), [SP 19-60a](#) will apply. If the respondent is a student, [SP 19-60](#) applies.

A. Definitions

Consent, Unlawful Sexual Behavior: Colorado Revised Statutes (C.R.S.) 18-3-401, means cooperation in act or attitude pursuant to an exercise of free will and with knowledge of the nature of the act. A current or previous relationship shall not be sufficient to constitute consent. Submission under the influence of fear shall not constitute consent.

Sexual Assault: C.R.S. 18-3-402, Colorado law defines sexual assault as any actor who knowingly inflicts sexual penetration on a victim commits sexual assault if:

- The actor causes submission of the victim by means of sufficient consequence reasonably calculated to cause submission against the victim's will; or
- The actor knows that the victim is incapable of appraising the nature of the victim's conduct; or
- The actor knows that the victim submits erroneously, believing the actor to be the victim's spouse; or
- At the time of the commission of the act, the victim is less than fifteen years of age and the actor is at least four years older than the victim and is not the spouse of the victim; or
- At the time of the commission of the act, the victim is at least fifteen years of age but less than seventeen years of age and the actor is at least ten years older than the victim and is not the spouse of the victim; or
- The victim is in custody of law or detained in a hospital or other institution and the actor has supervisory or disciplinary authority over the victim and uses this position of authority to coerce the victim to submit, unless the act is incident to a lawful search; or
- The actor, while purporting to offer a medical service, engages in treatment or examination of a victim for other than a bona fide medical purpose or in a manner substantially inconsistent with reasonable medical practices; or
- The victim is physically helpless and the actor knows the victim is physically helpless and the victim has not consented.

Sexual Assault on a Child: C.R.S. 18-3-405, means any actor who knowingly subjects another not his or her spouse to any sexual contact commits sexual assault on a child if the victim is less than fifteen (15) years of age and the actor is at least four (4) years older than the victim.

Domestic Violence: C.R.S. 18-6-800.3 means an act or threatened act of violence upon a person with whom the actor is or has been involved in an intimate relationship. Domestic violence also includes any other crime against a person, or against property, including an animal or any municipal ordinance violation against a person, or against property, including an animal, when used as a method of coercion, control, punishment, intimidation, or revenge directed against a person with whom the actor is or has been involved in an intimate relationship.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. There is no Colorado state law on dating violence; therefore, the college abides by the definition used in the Violence Against Women Reauthorization Act (VAWA) of 2013.

For purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Stalking: C.R.S. 18-3-602. Means a person commits stalking if directly, or indirectly through another person, the person knowingly:

- Makes a credible threat to another person and, in connection with the threat, repeatedly follows, approaches, contacts, or places under surveillance that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship; or
- Makes a credible threat to another person and, in connection with the threat, repeatedly makes any form of communication with that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship, regardless of whether a conversation ensues; or
- Repeatedly follows, approaches, contacts, places under surveillance, or makes any form of communication with another person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship in a manner that would cause a reasonable person to suffer serious emotional distress and does cause that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship to suffer serious emotional distress. For purposes of this paragraph (c), a victim need not show that he or she received professional treatment or counseling to show that he or she suffered serious emotional distress.

Additional definitions as it relates to "Stalking" under Colorado law:

- Conduct "in connection with" a credible threat means acts that further, advance, promote, or have a continuity of purpose, and may occur before, during, or after the credible threat.
- "Credible threat" means a threat, physical action, or repeated conduct that would cause a reasonable person to be in fear for the person's safety or the safety of his or her immediate family or of someone with whom the person has or has had a continuing relationship. The threat need not be directly expressed if the totality of the conduct would cause a reasonable person such fear.
- "Immediate family" includes the person's spouse and the person's parent, grandparent, sibling, or child.
- "Repeated" or "repeatedly" means on more than one occasion.

B. Education and Prevention Programs

The College engages in comprehensive educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for returning students and faculty that:

- Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
- Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking pursuant to Colorado law;
- Defines what behavior and actions constitute consent to sexual activity in the state of Colorado;
- Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander;
- Provides a variety of prevention and awareness programs that are designed to help risk reduction via the decrease occurrence of sexual misconduct concerns, educate and encourage bystander intervention, and to help empower victims and bystanders to promote safety and to help individuals and communities address conditions that facilitate violence;
- Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks; and
- Provides information on the procedures the college will adhere to after a sexual misconduct concern occurs to include domestic violence, dating violence, sexual assault, stalking, and sexual harassment.

Educational programs are offered to raise awareness for all incoming students and employees, and are often conducted during new student and new employee orientation and throughout an incoming student's first semester. These programs and others offered throughout the year include strong messages regarding not just awareness, but also primary prevention. Bystander engagement is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, using intervention-based apps, identifying allies and/or creating distractions.

Programs offer variety of prevention and awareness programs that are designed to help risk reduction via the decrease occurrence of sexual misconduct concerns, educate and encourage bystander intervention, and to help empower victims and bystanders to promote safety and to help individuals and communities address conditions that facilitate violence. Programming endeavor to provide education on how to recognize warning signals and how to avoid potential attacks, and do so without victim-blaming approaches. Throughout the year, ongoing awareness and prevention campaigns are directed to students and employees, including faculty, often taking the form of campaigns, emails, guest speakers and events such as:

C. Procedures for Reporting a Complaint

The College has procedures in place that serve to be sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of medical, counseling and support services, and additional remedies to prevent contact between a complainant and an accused party, such as academic, transportation and working accommodations, if reasonably available. [PCC Sexual Misconduct/Title IX webpage](#) and the Student Resource Guide when Navigating Sexual Misconduct Concerns (located on [PCC Sexual Misconduct/Title IX webpage](#)) also outlines the procedure of how and to whom to report an alleged sexual misconduct offense. Additionally, victims will be provided a written explanation of their rights via the applicable campus/site Victim's Bill of Rights located on the [PCC Police webpage](#). Students and employees should contact:

Pueblo Campus – Title IX Coordinator and/or Deputy Title IX Coordinators

Fremont Campus – Deputy Title IX Coordinators

PCC Southwest Campus and Sites – Deputy Title IX Coordinators

Reporting form at the PCC Website – found at this [link](#)

After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible at the local hospital in your area. In Colorado, evidence may be collected even if you choose not to make a report to law enforcement. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing, or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence as may be necessary to the proof of criminal activity may be preserved. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College hearing boards/investigators, or police.

Although the College strongly encourages all members of its community to report violations of this policy to law enforcement and/or campus authorities referenced above, it is the victim's choice whether or not to make such a report and victims have the right to decline involvement with the police. The campus authorities referenced above will assist any victim with notifying local police if they so desire. Local law enforcement may be reached directly by calling the following numbers or going directly to their offices:

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Interim Title IX Coordinator, Cheyenne Berrios, Talent Acquisition and Employee Relations Manager, (Pueblo Campus Central Administration, Room 112, Pueblo, CO 81004; [email](#): telephone: 719.549.3220, and the PCC Police Department (Pueblo Campus Student Center, Room 103 (if you wish to do so).

The Title IX Coordinator is ultimately responsible to assure in all cases that the behavior is ended, the College acts to reasonably prevent its recurrence, and the effects on the victim and the community are remedied. The Coordinator is also responsible to assure that training is conducted annually for all advocates, investigators, hearing officers, panelists, and appeals officers that encompass a hearing process that protects the safety of victims and promotes accountability. Training will focus on sexual misconduct, domestic violence, dating violence, sexual assault, stalking, sexual harassment, retaliation, and other behaviors that may be considered forms of sex or gender discrimination covered by Title IX and Clery Act. Training will help those decision-makers in the process to protect the safety of victims and to promote accountability for those who commit offenses.

The College will provide resources to persons who have been victims of sexual assault, domestic violence, dating violence, or stalking and will apply appropriate disciplinary procedures to those who violate this policy. The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy. The Victim's Bill of Rights pamphlet may be obtained at the Pueblo Campus in the PCC Police Department located in the Student Center, Room 103; Fremont Campus in the Fremont Police Department located in Room L104; Durango Site: Durango High School, from the Site Coordinator; Bayfield Site: Bayfield Site Coordinator, and Mancos Campus: SW Regional Director of Student Services, Room 107, which outlines resources and includes contact information for legal assistance with visa and immigration.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with the PCC Police Department or other law enforcement to preserve evidence in the event that the victim changes her/his mind at a later date.

If a report of domestic violence, dating violence, sexual assault, or stalking is reported to the College, below are the procedures that the College will follow as well as a statement of the standard of evidence that will be used during any administrative hearing on campus arising from such a report:

D. Assistance for Victims: Rights and Options

Regardless of whether a victim elects to pursue a criminal complaint, the College will assist victims of sexual assault, domestic violence, dating violence, stalking, and sexual misconduct (on or off campus) and will provide each victim with a written explanation of their rights via the applicable campus/site Victim’s Bill of Rights located on the [PCC Police webpage](#) and the Student Resource Guide when Navigating Sexual Misconduct located on the [PCC Sexual Misconduct/Title IX webpage](#). In Colorado, a victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

Rights Afforded to Victims-C.R.S. 24-4.1-302.5

In order to preserve and protect a victim's rights to justice and due process, each victim of a crime shall have the following rights:

- The right to be treated with fairness, respect, and dignity, and to be free from intimidation, harassment, or abuse, throughout the criminal justice process;
- The right to be informed of, be present or not present, and without submitting a written request for notification, for all critical stages of the criminal justice process as specified in state statute (C.R.S. 24-4.1-302(2) and 302.5);
- The right to be informed of the filing of a petition by a perpetrator of the offense to terminate sex offender registration pursuant to section 16-22-113(2)(c), C.R.S.;
- The right to be informed, upon request by the victim, when a person who is accused or convicted of a crime against the victim is released or discharged from county jail; and
- The right to be informed, upon written request by the victim, when a person who is accused or convicted of a crime against the victim is released or discharged from custody other than county jail, is paroled, escapes from a secure or non-secure correctional facility or program, or absconds from probation or parole.

Further, Pueblo Community College complies with Colorado law in recognizing orders of protection by requiring that the alleged abides by all provisions of the order or face both legal and College sanctions.

Any person who obtains an order of protection from Colorado or any reciprocal state should provide a copy to the PCC Police Department and the office of the Title IX Coordinator. A complainant may then meet with the PCC Police Department to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on or off campus. This plan may include, but is not limited to: escorts, special parking arrangements, providing a temporary cellphone, changing classroom location or allowing a student to complete assignments from home. Protection from abuse orders may be available through an **Emergency Protection Orders**, C.R.S. 13-14-103.

Any county or district court shall have the authority to enter an emergency protection order, which may include:

- Restraining a party from contacting, harassing, injuring, intimidating, threatening, molesting, touching, stalking, sexually assaulting or abusing any other party, a minor child of either of the parties, or a minor child who is in danger in the reasonably foreseeable future of being a victim of an unlawful sexual offense or domestic abuse;
- Excluding a party from the family home or from the home of another party upon a showing that physical or emotional harm would otherwise result;
- Awarding temporary care and control of any minor child of a party involved;
- Enjoining an individual from contacting a minor child at school, at work, or wherever he or she may be found;
- Restraining a party from molesting, injuring, killing, taking, transferring, encumbering, concealing, disposing of or threatening harm to an animal owned, possessed, leased, kept, or held by any other party, a minor child of either of the parties, or an elderly or at-risk adult; or
- Specifying arrangements for possession and care of an animal owned, possessed, leased, kept, or held by any other party, a minor child of either of the parties, or an elderly or at-risk adult.

In cases involving a minor child, the juvenile court and the district court shall have the authority to issue emergency protection orders to prevent an unlawful sexual offense, or to prevent domestic abuse, when requested by the local law enforcement agency, the county department of social services, or a responsible person who asserts, in a verified petition supported by affidavit, that there are reasonable grounds to believe that a minor child is in danger in the reasonably foreseeable future of being the victim of an unlawful sexual offense or domestic abuse, based upon an allegation of a recent actual unlawful sexual offense or domestic abuse or threat of the same. Any emergency protection order issued shall be on a standardized form prescribed by the judicial department and a copy shall be provided to the protected person.

A verbal emergency protection order may be issued only if the issuing judge finds that an imminent danger in close proximity exists to the life or health of one or more persons or that a danger exists to the life or health of the minor child in the reasonably foreseeable future.

To the extent of the victim's cooperation and consent, College offices, including the offices of the Academic Deans, the Vice President of Student Success, and the Dean of Students will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected, pending the outcome of a formal College investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic or working situations in addition to off campus counseling, health services, assistance in notifying appropriate local law enforcement, no contact orders, and other protective measures. The office of the Dean of Students is responsible for assisting the victim with these accommodations. Policies/processes/procedures/support resources are outlined in the Student Resource Guide when Navigating Sexual Misconduct Concerns (located on [PCC Sexual Misconduct/Title IX webpage](#)); additionally, written explanation of victim's rights via the applicable campus/site Victim's Bill of Rights located on the [PCC Police webpage](#).

Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The College excludes personal identifiable information and does not publish the name of crime victims nor house identifiable information regarding victims in the PCC Police Department Daily Crime Log or [online](#) to maintain confidentiality in all publicly available records. Victims may request that directory information on file be removed from public sources by requesting through the PCC Office of Admissions and Records.

E. Adjudication of Violations

Whether or not criminal charges are filed, the College or a person may file a complaint under the Civil Rights Grievance and Investigation Process. If the respondent to a complaint is a CCCS employee, authorized volunteer(s), guest(s), or visitor(s), [SP 19-60a](#) will apply. If the respondent is a student, [SP 19-60a](#) applies. Reports of all domestic violence, dating violence, sexual assault and stalking made to PCC Police Department will automatically be referred to the Title IX Coordinator for investigation regardless if the complainant chooses to pursue criminal charges.

The College's civil rights grievance and investigation process, as well as the discipline process, will provide prompt, fair, and impartial investigation and resolution that is:

- Completed within reasonably prompt timeframes which, pursuant to our procedure, is sixty (60) days. If the college finds it necessary to extend this timeline, they may do so for good cause. The college will provide written notice to the accuser and the accused of the delay and the reason for the delay;
- The processes shall be conducted in a manner that is transparent to the accuser and accused;
- The processes allow for timely notice of meetings at which the accuser or accused, or both, may be present;
- Provides timely access to the accuser, the accused, and appropriate officials to any information that will be used after the fact-finding investigation but during the disciplinary meetings and hearings conducted by officials who do not have a conflict of interest or bias for or against the accuser or the accused to have an advisor of their choice present at any meeting.

All college officials involved with the investigation and discipline process are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking. These employees are taught how to investigate and hearing process that protects the safety of the victim and promotes accountability.

After the civil rights grievance and investigation process is concluded, the findings are shared with the disciplinary authority to begin the college's discipline process.

If the accused is an employee, sanction decisions are outlined in:

- For faculty, disciplinary action will be in compliance with [BP 3-20](#).
- For classified employees, disciplinary action will be taken pursuant to the [State Personnel Rules and Regulations](#).
- For administrative and professional/technical employees, there is no specific procedure outlined on discipline; therefore, the appointing authority will conduct a prompt, fair and impartial discipline process.
- For authorized volunteers, guests and visitors, there is no specific applicable procedure; therefore, the responsible party or designee will conduct a prompt, fair and impartial discipline process.
- The accuser and the accused will be notified simultaneously in writing of the outcome of any disciplinary proceeding, and shall be given the rationale for the discipline decision.

If the accused is a student, [SP 4-30a](#), Student Disciplinary Procedure, applies. The student discipline process, in all cases, provides that:

1. The accuser and the accused each have the opportunity to meet with the Dean of Students, for students, or the Appointing Authority/Disciplinary Authority, for Colorado Community College System (CCCS) employees, authorized volunteers, guests and visitors;
2. Attend a hearing before a properly trained hearing panel or person;
3. The accuser and the accused each have the opportunity to be advised by a personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting or hearing;

4. An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting or hearing. These procedures are entirely administrative in nature and are not considered legal proceedings. The System or College may remove or dismiss an advisor who become disruptive or who does not abide by the restrictions on their participation as explained above;
5. An employee and student conduct decision are based on the preponderance of evidence standard, i.e., “more likely than not to have occurred” standard. In other words, the conduct process asks: “is it more likely than not that the accused violated State Board for Community Colleges and Occupational Education (SBCCOE) Policy;
6. The accuser and the accused will be notified simultaneously in writing of the outcome of any disciplinary proceeding, and shall be given the rationale for the discipline decision; and
7. When a complainant does not consent to the disclosure of his or her name or other identifiable information to the alleged perpetrator, the College’s ability to respond to the complaint may be limited.

Confidentiality

The College will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law.

Sanctions and Protective Measures

In all cases, investigations that result in a finding of more likely than not that a violation(s) has occurred may lead to the initiation of disciplinary procedures against the accused individual. Examples of college sanctions may include, but are not limited to:

- For students-warning, probation, fines, restitution, denial of privileges, assignment to perform services for the benefit of the college or community, suspension, expulsion, or “No trespass” directive Persona Non Grata (PNG).
- For CCCS employees-warning, written warning, corrective actions, probation, restitution, denial of privileges, suspension, and termination of employment, a “Cease Communication” directive or “No trespass” directive (PNG).
- For authorized volunteers, guest(s), or visitors-warning, writing warning, denial of privileges, dismissal from College, a “Cease Communications” directive, or a “No trespass” directive (PNG).

Additionally, the College may implement protective measures following the report of domestic violence, dating violence, sexual assault and/or stalking which may include some or all of the following actions: changing of class schedules, restrictions on campus usage, interim or permanent suspensions, College expulsion. For students, sexual assault, domestic violence, dating violence, and stalking are violations of the Student Conduct Code. Employees who violate this policy will be subject to discipline, up-to-and including termination of employment. Sexual assault, domestic violence, dating violence, and stalking are criminal acts which also may subject the perpetrator to criminal and civil penalties under federal and state laws.

The Title IX Coordinator will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: an order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by Pueblo Community College.
